<i>Chapter</i>	<i>Page</i>
<b>1. Summary</b> .....	<b>1</b>
<b>2. Introduction</b> .....	<b>3</b>
<b>3. Delineating “Rural” and “Urban” Areas</b> .....	<b>5</b>
U.S. Bureau of the Census .....	5
The Office of Management and Budget: Metropolitan Statistical Areas .....	7
<b>4. Relationship Between Urban/Rural and     Metropolitan/Nonmetropolitan Designations</b> .....	<b>13</b>
<b>5. Understanding Diversity Within Rural Areas: Urban/Rural Topologies</b> .....	<b>17</b>
Topologies Used To Describe Nonmetropolitan Areas .....	17
Urbanization/Adjacency to Metropolitan areas .....	19
Adjacency to Metropolitan Areas/Largest Settlement Size .....	20
Population Density: Incorporation of the Frontier Concept .....	20
Urbanization/Population Density .....	21
Distance From an MSA or Population Center .....	21
Commuting-Employment Patterns .....	22
Economic and Socio-Demographic Characteristics .....	22
Conclusion .....	24
<b>6. The Availability of Vital and Health Statistics     for Nonmetropolitan Areas</b> .....	<b>27</b>
<b>7. Using OMB and Census Designations To Implement Health Programs</b> .....	<b>35</b>
Medicare Reimbursement Using MSAs To Define Urban and Rural Areas .....	35
The Rural Health Clinics Act .....	37
Providing Services in “Frontier” Areas .....	38
<b>8. Conclusions</b> .....	<b>41</b>
<i>Appendix</i>	
A. Summary of the Standards Followed in Establishing Metropolitan Statistical Areas .....	43
B. The Census Bureau’s Urbanized Area Definition .....	47
C. Census Geography .....	48
D. Rural Health Care Advisory Panel .....	53
E. Acknowledgments .....	54
References .....	56

## Tables

### *Table*

1. Urban and Rural Population by Size of Place (1980) .....	6
2. Ten States With the Largest Rural Population (1980) .....	7
3. States With More Than One-Half of Their Population Residing in Rural Areas (1980) .....	7

## Tables (cent'd)

<i>Table</i>	<i>Page</i>
4. Ten States With the Largest Nonmetropolitan Population (1986) .....	10
5. States With More Than One-Half of Their Population Residing in Nonmetropolitan Areas (1986) .....	10
6. Selected Federal Department/Agencies Using MSA Designations for the Administration of Programs or the Distribution of Funds .....	11
7. Population Inside and Outside of MSAs by Urban and Rural Residence (1980).....	15
8. Classification of Nonmetropolitan Counties by Urbanization and Proximity to Metropolitan Areas .....	19
9. Nonmetropolitan County Population Distribution by Degree of Urbanization and Adjacency to an MSA (1980) .....	20
10. U.S. Population by County's Largest Settlement and Adjacency to an MSA (1980) .....	20
11. Bluestone and Clifton County Classifications Based on Urbanity and Population Density .....	21
12. Population-Proximity: A Measure of a County's Relative Access to Adjacent Counties' Populations .....	22
13. County Typology Based on Employment, Commuting, and Population Characteristics .....	23
14. Distribution of U.S. Counties by Typology Based on Employment, Commuting, and Population Characteristics (1986) .....	24
15. Classification of Nonmetropolitan Counties by Economic and Socio-Demographic Characteristics .....	25
16. Features of the Nine County-Based Topologies .....	25
17. Proportion of the Population 65 and Older by Metropolitan/Nonmetropolitan and Urban/Rural Residence .....	27
18. Proportion of Nonmetropolitan Population Age 65 and Older by Level of Urbanization and Adjacency to an MSA (1980).....	27
19. Nonmetropolitan Infant Mortality Rates by Urban Area and Race, U.S. Total and Alabama (1986) .....	28
20. Characteristics of Different Categories of U.S. Nonmetropolitan Counties .....	30

## Figures

<i>Figure</i>	<i>Page</i>
1. Urbanized Areas .....	5
2. Metropolitan Statistical Areas (June 30, 1986) .....	9
3. The Relationship Between Metropolitan Statistical Areas (MSAs), Urbanized Areas, and Urban and Rural Areas .....	13
4. Map of California Counties: San Bernardino County .....	14
5. 1980 Population Distribution (United States).....	18
6. Areas With Cervical Cancer Mortality Rates Significantly Higher Than the U.S. Rate, and in the Highest 10% of all SEA Rates (White Females, 1970-1980) .....	31
7. Death Rates Due to Unintentional Injury by County .....	32
8. Death Rates Due to Motor Vehicle Crashes by County .....	33
9. Frontier Counties: Population Density of 6 or Less .....	39
