

## Appendix D

# Reviewers and Contributors

---

Five separate Advisory Panels are listed at the front of the report. The 106 members of the Advisory Panels participated in the workshops listed below and reviewed drafts of the relevant chapters.

### **Energy Use in Buildings and Greenhouse Gas Emissions**

March 29, 1989

William U. Chandler, *Chairman*

### **Workshop on Innovation in the U.S. Construction Industry**

March 30, 1989

Henry Kelly, *Chairman*

### **Energy Use in Transportation and Greenhouse Gas Emissions**

April 6, 1989

William U. Chandler, *Chairman*

### **Energy Use in Industry**

May 11, 1989

William U. Chandler, *Chairman*

### **Energy Supply and Greenhouse Gas Emissions**

May 16, 1989

William U. Chandler, *Chairman*

### **The U. S., Developing Countries, and Global Warming**

September 13, 1989

Michael Greene, *Chairman*

Additionally, we had special review groups for the forestry and food chapters (listed below). Finally, many other people contributed information and/or participated in several layers of external review over the past 2 years.

### **Forest Review Group**

H. Akbari  
Lawrence Berkeley Laboratory

Samuel Baldwin  
Office of Technology Assessment

Scott Berg  
American Forest Council

Clark Binkley  
Yale University

Richard Birdsey  
U.S. Forest Service

Daniel Botkin  
University of California, Santa Barbara

Sandra Brown  
University of Illinois

Stephanie Caswell  
U.S. Department of State

Paul Cough  
U.S. Environmental Protection Agency

Janet Cushman  
Oak Ridge National Laboratory

John Ewel  
University of Florida

Philip M. Fearnside  
National Institute for Research  
in the Amazon (INPA)  
Brazil

Jerry Franklin  
University of Washington

Jane Freeman  
National Association of State Foresters

B.C.Y. Freezailah  
International Tropical Timber  
Organization

Carl Gallegos  
U.S. Agency for International  
Development

Ross Gorte  
Office of Technology Assessment

Judy Gradwohl  
Smithsonian Institution

Dwight Hair  
American Forest~ Association

David Harcharik  
U.S. Forest Service

Gary Hartshorn  
World Wildlife Fund

Kate Heaton  
Bruce Co.

Alison Hess  
Office of Technology Assessment

Colin High  
Dartmouth College

R.A. Houghton  
Woods Hole Research Center

Twig Johnson  
U.S. Agency for International  
Development

Agnes Kiss  
World Bank

John Michael Kramer  
International Resource Group

Jean-Paul Lanly  
U.N. Food and Agriculture Organization

Gerald Leach  
Stockholm Environment Institute

Ariel Lugo  
Institute of Tropical Forestry

Edward MacDonald  
U.S. Environmental Protection Agency

Gregg Marland  
Oak Ridge National Laboratory  
Gary A. Moll  
American Forestry Association  
Robert Moulton  
U.S. Forest Service  
Norman Myers  
Oxford University  
Phil O'Keefe  
ETC (UK)  
Keith Openshaw  
World Bank  
Walter E. Parham  
Office of Technology Assessment  
John Potter  
Consultant  
David C. Rinebolt  
National Wood Energy Association

Bruce Ross  
International Resource Group  
R. Neil Sampson  
American Forestry Association  
Jeff Schweitzer  
U.S. Agency for International  
Development  
Roger Sedjo  
Resources for the Future  
Susan Shen  
World Bank  
P. Gregory Smith  
Society of American Foresters  
William Sommers  
U.S. Forest Service  
Benjamin stout  
National Council of the Paper Industry for  
Air and Stream Improvement, Inc.

Tim Sullivan  
Smithsonian International Center  
Mark Trexler  
World Resources Institute  
Christopher Uhl  
Pennsylvania State University  
R.I. Van Hook  
Oak Ridge National Laboratory  
Noel Vietmeyer  
National Academy of Sciences  
Jack Winjum  
U.S. Environmental Protection Agency

### **Food Review Group**

Frank Baker  
Winrock International Institute for  
Agricultural Development  
Janet Brown  
World Resources Institute  
Lauretta Burke  
U.S. Environmental Protection Agency  
Michael Dow  
National Academy of Sciences  
Patricia Durana  
Office of Technology Assessment  
James Dyer  
Rocky Mountain Institute  
Debbie Fesser  
National Corn Growers Association  
Kirk Gadzia  
Center for Holistic Resource Management  
Earle Gavett  
U.S. Department of Agriculture  
Peter Groffman  
University of Rhode Island  
Thurman Grove  
U.S. Agency for International  
Development

Kathleen Hartnett  
National Cattlemen's Association  
Roland Hauck  
Tennessee Valley Authority  
National Fertilizer Development and  
Environmental Research Center  
Brian Holmes  
University of Wisconsin  
Gordon Hutchinson  
USDA Agricultural Research Service  
Donald Johnson  
Colorado State University  
Donald Kaufman  
USDA Agricultural Research Service  
Clyde Kiker  
University of Florida  
Elaine Matthews  
Goddard Institute for Space Studies  
National Aeronautics and Space  
Administration  
John Nickel  
Centro Internacional de Agricultural  
Tropical  
Colombia

*Calvin* Parnell  
Texas A&M University  
David Pimentel  
Cornell University  
Norman Rosenberg  
Resources for the Future  
Philip Rutter  
Badgersett Research Farm  
Richard Straub  
University of Wisconsin  
Henry Tyrrell  
USDA Ruminant Nutrition Lab  
Richard Wiles  
National Research Council  
Richard Wheeler  
Rodale Institute  
Garth Youngberg  
Institute for Alternative Agriculture

### **Other Reviewers and Contributors**

Rick Adcock  
Tufts University

Daniel Albritton  
National Oceanic and Atmospheric  
Administration

John Alic  
Office of Technology Assessment

Ken Andrasko  
U.S. Environmental Protection Agency

Jim Angell  
National Oceanic and Atmospheric  
Administration

Bradford Ashton  
Battelle, Pacific Northwest Laboratories
