

Index

- Agrarian reform
Bolivia, 51
Colombia, 62
Peru, 6,56
- Agriculture
Alternatives to coca. See Alternative crops
Andean agroecosystems. See Andean Cordillera, agroecosystems
Coca. See Coca production
Cropping systems
Agroforestry. See Forest resources, agroforestry
Home gardens, 112-113
Multiple cropping, 110-112, 138. See *also* Forest resources, agroforestry
Development. See Agricultural development
Research and extension. See Agricultural development, research and extension
Technology transfer. See Agricultural development, technology transfer
- Agricultural development. See *also* Alternative crops; PEAH
Agricultural credit, 24,54, 139, 150, 163-164, 177, 179
Food quality and safety, 26-28, 149, 150, 171-172, 175-176, 179
Infrastructure and. See Infrastructure
Postharvest storage and handling, 24-25, 149, 160, 165, 169-170
Producer organizations, 165-166, 167, 170, 178
Research and extension, 150-160, 177
Strategies to enhance production, 102-115, 134-139, 159-160, 177-180
Technology transfer, 23, 149, 157-161, 178
Value added processing, 19,24-25,26, 102, 136, 149, 161-166, 167, 178, 180
- AID. See U.S. Agency for International Development
- Alternative crops. See *also* Forest resources, agroforestry; Aquatic resources (freshwater); Wildlife and wildland resources; Agricultural development, research and extension
- As a coca substitution strategy, 7, 8,9, 13, 17,71,96, 99, 100, 102-110, 115, 134-135, 199
- Constraints to developing and marketing, 7,100,101-102, 103, 107,115,134,135, 137,161, 162, 163,167,169, 171, 179. See *also* Alternative development, constraints to
- Domestic market opportunities, 19-20, 100, 135-137, 163
- Economics of, 71, 103, 113, 115, 116, 121, 135
- Examples of, 9,20,100,103-110,113, 116,121,161, 162, 163, 170, 174
- Export markets, 19-20, 100, 103, 107, 135-136, 150, 163, 174, 179
- Prerequisites for developing and marketing, 8,20-28,100, 106-107, 113, 115, 134, 160-161, 163, 165, 169-171, 178
- Strategies to promote and support. See Agricultural development, strategies to enhance production
- Transition to, 17-18,23-28, 102, 107, 115, **134, 135-136, 137-138, 179**
- Alternative development.** See *also* Alternative crops; Agricultural development; PEAH
As a cocaine control strategy, 2, 8, 71
Assistance for, 1, 2,6-7, 13,67,72,96-97,150-151, 155, 163, 171, 172, 176,179-180. See *also* U.S. Agency for International Development; Agricultural development, technology transfer
Cocabamba Regional Development Project, 7, 8, 17, 18, 24,89, 162
Constraints to, 5,6,7,14-16,23-28,57-60, 69-70,95, 151, 165
CRDP, 7,85-87,88,89,90
Ecotourism, 22-23, 100, 122, 127-128, 140-141
Infrastructure for. See Infrastructure (in support of alternative agricultural development)
Requirement for long-term commitment to, 17-18, 19,97, 177-178, 179
- Andean Cordillera
Agroecosystems, 38-41,68,99-100, 110
Cultural history, 3, 39-40. See *also* Bolivia, history;

212 | Alternative Coca Reduction Strategies in the Andean Region

- Colombia, history; Peru, history
 - Geoeology**, 3, 35-38,68,99-100, 122
 - Aquatic resources (freshwater)
 - Aquiculture, 23, 100, 131-132, 133
 - As an alternative development base, 99, 100, 141-142
 - Fisheries, 23, 100-101, 128-133, 141-142
 - Biological coca control. See Coca supply reduction/eradication, biological control
 - Bolivia
 - Agrarian reform in, 51
 - Coca substitution and, 84-90
 - History, 5,50-53
