

# D Appendix D: Acronyms

Caltech	California Institute of Technology	NEHRP	National Earthquake Hazards Reduction Program
CDMG	California Division of Mines and Geology	NEIC	National Earthquake Information Center
CONCERT	Coordinating Organization for Northern California Earthquake Research and Technology	NIST	National Institute of Standards and Technology
CUBE	Caltech-USGS Broadcast of Earthquakes	NSF	National Science Foundation
CUSEC	Central United States Earthquake Consortium	NSN	National Seismograph Network
EWS	Early Warning Systems	PASSCAL	Program for Array Seismic Studies of the Continental Lithosphere
FEMA	Federal Emergency Management Agency	R&D	research and development
GIS	Geographical Information System	REDI	Rapid Earthquake Data Integration
GPS	Global Positioning System	SAR	synthetic aperture radar
IRIS	Incorporated Research Institutions for Seismology	SCEC	Southern California Earthquake Center
M	magnitude	UBC	Uniform Building Code
MMI	Modified Mercalli Intensity	UNAVCO	University Navstar Consortium
Mw	moment magnitude	URM	unreinforced masonry
NCEER	National Center for Earthquake Engineering Research	USGS	U.S. Geological Survey
		VLBI	Very Long Baseline Interferometry
