

A Review of the Ocean Margin Drilling Program

Table of Contents

I.	Introduction	1
II.	Summary of Findings	4
III.	Scientific Merit of the Planned Program	8
	A. Scientific Objectives and Priorities	8
	B. Discussion of Science Objectives	13
IV.	Alternatives Proposed	18
	A. Alternatives with Greater Science Focus	18
	B. Alternatives with Greater Resource Focus	20
V.	Anticipated Technological Problems	22
VI.	Industry Participation in the Program	37
VII.	Program Management Considerations	46
	Principal References	53
Appendices:		
A.	Alternatives to the Ocean Margin Drilling Program Suggested by OTA Panel Members	A-1
B.	Background on Deep Ocean Drilling	B-1
C.	The Hedberg Proposal	C-1
D.	Petroleum Company Responses	D-1
