

Contents

<i>Chapter</i>	<i>Page</i>
1. OVERVIEW AND SUMMARY	
Introduction	3
Cost-Benefit and Cost-Effectiveness Analysis in the Evaluation of Diagnostic X-Ray Procedures	4
Organization of This Background Paper	4
Summary of Findings	5
2. EVALUATION MODELS	
Studies of Diagnostic Efficiency	9
Studies of Diagnostic Yield.	11
Studies of High-Yield Criteria	12
Studies of Diagnostic Information	13
Studies of Outcomes	14
3. CHEST X-RAY	
Utilization, Cost, and Controversies	17
Chest X-Ray Evaluations	19
Studies of Community-Based TB Screening Programs	20
Lung Cancer Screening	21
Studies of Chest X-Ray Screening of Selected Patient Populations. . . .	23
Studies of Patient Management and Followup.	26
Studies of the Diagnostic Uses of Chest X-Ray	26
Studies of Radiological Method	27
4. SKULL X-RAY	
Utilization, Cost, and Controversies	31
Skull X-Ray Evaluation	32
Diagnostic Efficiency of Skull X-Ray Examinations	32
High-Yield Criteria [or Skull X-Rays.	33
5. BARIUM ENEMA	
Utilization, Cost, and Controversies.	37
The Diagnostic Efficiency of BE	39
High-Yield Criteria force	41
6. EXCRETORYUROGRAM	
Utilization, Cost, and Controversies	45
Diagnostic Yield and High-Yield Criteria	46
Studies of Appropriate Radiologic Method	47
Studies of the Role of ExU in Screening for Renovascular Hypertension	48
Studies of the Diagnostic Information From Ecu	49
APPENDIX A: GLOSSARY OF TERMS	53
APPENDIX B: DESCRIPTION OF OTHER VOLUMES OF THE ASSESSMENT	54
REFERENCES	59

List of Tables

Table No.	Page
1. Estimated Number of Diagnostic X-Ray Procedures in the United States, 1970	3
2. Average Amount Billed by Radiologists for Selected X-Ray Procedures, California Medicaid Program, 1975.	3
3. Medicaid Chest X-Ray Claims in California Submitted by Physicians in First Quarter of 1978, by Location of Service	18
4. Medicaid Chest X-Ray Claims in California Submitted by Radiologists in First Quarter of 1978, by Location of Service	18
5. Screening for Tuberculosis	20
6. Screening for Lung Cancer	22
7. Chest X-Rays for Selected Patient Populations	24
8. Medicaid Skull X-Ray Claims in California Submitted by Physicians in First Quarter of 1978, by Location of Service	31
9. Medicaid Skull X-Ray Claims in California Submitted by Radiologists in First Quarter of 1978, by Location of Service	31
10. Medicaid Barium Enema Claims in California Submitted by Physicians in First Quarter of 1978, by Location of Service.	37
11. Medicaid Barium Enema Claims in California Submitted by Radiologists in First Quarter of 1978, by Location of Service	37
12. The Sensitivity of Barium Enema in the Detection of Polyps	40
13. Medicaid Excretory Urogram Claims in California Submitted by Physicians in First Quarter of 1978, by Location of Service	46
14. Medicaid Excretory Urogram Claims in California Submitted by Radiologists in First Quarter of 1978, by Location of Service.. . . .	46
