Description of Recreational Facilities

Baker Rink

Hobey Baker Memorial Rink is a 2,092-seat hockey arena and home to the Princeton University Tigers men's and women's ice hockey teams as well as the venue for club and intramural hockey teams, intramural broomball, figure skating and recreational skating. It is the only ice skating rink on the Princeton University campus. The varsity hallway, which lies under the east side of the building, features the Princeton locker rooms, weight room, equipment room, bike room, athletic training room and coaches rooms. Baker is now the second oldest arena still in use in college hockey, behind Matthews Arena at Northeastern University.
