The Dillon Pool Guidelines

The Dillon Pool is open for recreational swim during posted hours. It is recommended to check the Princeton Aquatics web site (http://www.princeton.edu/~gpaczkow/) on a regular basis for updated information in regards to altered pool hours. Pool hours change several times throughout the year.

The following guidelines apply while using the pool:

- The use of the Dillon Pool is prohibited unless supervised by a lifeguard.
- Children under 15 years of age must be accompanied to the pool and be directly supervised by an adult parent/guardian at all times. If the child can swim, the adult parent/guardian must be at the pool side. If the child cannot swim, the adult parent/guardian must be in the water with his or her child. All children must be potty-trained.
- All children 5 years of age and older are not permitted in opposite gender locker rooms and must be escorted to the pool by a parent/guardian via basketball court # 3 stairwell. The unisex restroom on the pool deck may be utilized for changing.
- Appropriate swimming attire is required. Please use the locker room facilities to change; not the bleachers, pool deck showers or pool deck.
- The pool temperature will be kept at a consistent temperature throughout the academic year.
- Circle swimming is required when more than two swimmers are in a lane. Circle swimming in a lap lane is similar to driving a car; you need to stay on the right side of the lanes at all times and swim in a counterclockwise direction.
- Please choose a lane where fellow swimmers are at a similar skill level as yours. If you are unsure of which lane to use, please feel free to ask the lifeguard.
- The wading pool or specific lanes may be used for other programs during rec swim up to a maximum of 3 lap lanes. Check the posted schedule for specific schedule alterations.
- The amount of equipment that can enhance your workout is endless (i.e. aqua joggers, paddle boards, goggles, etc.) When stopping to put equipment on or take equipment off, be aware of others and take care not to interrupt others while they are swimming.
- Lane lines are expensive. Please do not hang on the lane lines between sets or after workouts.
- Showering is required before entering the pool. Showers can be found both in the lockers rooms and on the pool deck.
- Always enter the water feet first. Make sure you are aware of the water depth and others swimming while entering or exiting the pool.
Teaching swim lessons for personal gains is not permitted unless organized by the Princeton University Aquatics office.

Swim goggles may be rented at the ID desk. IDs must be left at the ID desk in exchange for all equipment.

Please remember that the above guidelines are designed for the protection of members, employees and facilities. All members are expected to act appropriately and be respectful of others while participating in programs and/or using the facilities. Members may not interfere with employee duties, use obscene language, or engage in verbal or physical abuse of employees or fellow members. All members must observe all posted signs and verbal directions provided by the Campus Recreation staff. Princeton University Campus Recreation reserves the right to remove individuals from any facility and to suspend/revoke a membership based on the actions of that individual.
