Wireless internet access is available in the entire building through the "puvisitor" wireless connection. Note that this is not a secure connection. (Depending on your email server, you might not be able to send outgoing email through this connection, but you can use your provider's webmail service.)

Rooms 004, 006, 008, 111, and 112 have desks with power outlets.

The Conference Office will be staffed through all CAV related events (July 7 – 14). Please do not hesitate to contact the staff for any help you may need, including additional local information.
