

The Titan's Curse

By Rick Riordan

I enjoyed this book because it was exciting and I could not put it down. People should read it if they like Greek mythology. Mr. Riordan, when we were at a book signing, told us that he wrote these books because he told all the Greek mythology stories to his kids and then he made up more.

The characters are special in a way but you have to read the first book to find out. The main characters are Percy, Thalia and Grover. Their goal is to stop Kronos and Percy's goal is to find Annabeth. Percy runs away from camp following the hunters. Then they find Percy is following them. The hunters' quest is to find Artemis.

Some characters are from Greek mythology and some are not. The Titan's curse is the third book in the series. I would recommend this book to someone who likes Greek mythology.
