Federal Budget 2012: What's Most Important?

On February 14, 2011, President Obama released the 2012 federal budget, and a flood of media responses followed. How can governments decide which funding is the most valuable and which can be eliminated? What can the public do to help inform these decisions? Click here: The Future of Children Blog, for the Future of Children’s response.

The Future of Children is a collaboration of the Woodrow Wilson School of Public and International Affairs at Princeton University and the Brookings Institution. For more information, please visit www.futureofchildren.org.
