The Future of Children now has webcasts featuring summaries of the research found in many of our volumes and policy briefs. Visit www.futureofchildren.org to view these half hour presentations on Poverty, Marriage, Social Mobility, Childhood Obesity and School Readiness. We hope to make these a regular feature for all of our upcoming volumes.

For reading on these topics, go to:

The Next Generation of Antipoverty Policies

Marriage and Child Wellbeing

Opportunity in America

Childhood Obesity

School Readiness: Closing Racial and Ethnic Gaps
