UTILIZING PREFERRED SPECIALTY PROVIDERS

Preferred Specialty Categories and Locations

When utilizing specialists, first check to see if they are in a category that identifies in-network preferred specialist providers. Aetna preferred specialists are listed as Aexcel with a blue star. UnitedHealthcare preferred specialists are listed as Premium Tier 1. In the chart below is the list of preferred specialist categories and locations. If you reside in an area with limited or no access to preferred specialists you will not be impacted by the tier changes. For the most current list of categories and locations, contact Aetna at (800) 535-6689 or UnitedHealthcare at (877) 609-2273.

How to Search for In-Network Preferred Specialty Providers

To find an in-network preferred specialty provider follow the steps below for your medical plan provider.

**Aetna Princeton Health Plan (PHP)**

1. Go to [www.aetna.com/dse/princeton](http://www.aetna.com/dse/princeton), and login as a member (if you are a first-time user, you can sign up for an account).
2. Select Find a Doctor
3. Select or type in the Provider Type that you are looking for.
4. Enter the zip code for the area you wish to search.
5. Aetna preferred providers are listed in the Plan Information column as Aexcel with a blue star.

**UnitedHealthcare Princeton Health Plan (PHP)**

1. Go to [www.myuhc.com](http://www.myuhc.com), and login (if you are a first-time user, you can register for an account).
2. Select Find a Doctor.
3. Select Find a Provider.
4. Change the Search Location Zip Code, if necessary.
5. Select the People box.
6. Select Specialty Care.
7. Scroll down to select the category of provider you are looking for.
8. UnitedHealthcare preferred providers are listed as UnitedHealth Premium Tier 1.
