DENTAL INSURANCE: PROCEDURES FOR DENTAL CLAIMS

Procedures for Presenting Claims for Dental Insurance Benefits

All claim forms needed to file for Dental Insurance benefits under the group insurance program can be obtained from the Employer who can also answer questions about the insurance benefits and to assist You or, if applicable, Your beneficiary in filing claims. Dental claim forms can also be downloaded from www.metlife.com/dental. The instructions on the claim form should be followed carefully. This will expedite the processing of the claim. Be sure all questions are answered fully.

Routine Questions on Dental Insurance Claims

If there is any question about a claim payment, an explanation may be requested from MetLife by dialing 1-866-832-5756.

Claim Submission

For claims for Dental Insurance benefits, the claimant must complete the appropriate claim form and submit the required proof as described in the FILING A CLAIM section of the certificate.

Claim forms must be submitted in accordance with the instructions on the claim form.

Initial Determination

After You submit a claim for Dental Insurance benefits to MetLife, MetLife will review Your claim and notify You of its decision to approve or deny Your claim.

If Your claim is a Clean Claim and it is approved by MetLife, benefits will be paid within 25 days after MetLife receives due written proof in electronic form of a covered loss, or within 35 days after receipt of due written proof in paper form of a covered loss. Due written proof includes, but is not limited to, information essential for Us to administer coordination of benefits.

"Clean Claim" means a claim that:

- does not require further information, adjustment or alteration by You or the provider of the services in order for MetLife to process and pay it;
- does not have any defects;
- does not have any impropriety, including any lack of supporting documentation; and
- does not involve a particular circumstance required special treatment that substantially prevents timely payments from being made on the claim.

A Clean Claim does not include a claim submitted by a provider more than 30 days after the date of service, or if the provider does not submit the claim on Your behalf, a claim submitted more than 30 days after the date the provider bills You.

If MetLife is unable to pay a claim for Dental Insurance benefits because MetLife needs additional information or documentation, or there is a particular circumstance requiring special treatment, within 25 days after the date MetLife receives the claim if it is submitted in electronic form, or within 35 days after the date MetLife receives the claim if it is submitted in paper form, MetLife will send You notice of what supporting documentation or information MetLife needs. Any claim or portion of a claim for Dental Insurance benefits that is resubmitted with all of the supporting documentation requested in Our notice and becomes payable will be paid to You within 20 days after MetLife receives it.
NOTICE FOR RESIDENTS OF MISSISSIPPI (continued)

Clean Claim (Continued)

If MetLife does not deny payment of such benefits to You by the end of the 25 day period for clean claims submitted in electronic form, or 35 day period for clean claims submitted in paper form, and such benefits remain due and payable to You, interest will accrue on the amount of such benefits at the rate of 1½ percent per month until such benefits are finally settled. If MetLife does not pay benefits to You when due and payable, You may bring action to recover such benefits, any interest which has accrued with respect to such benefits and any other damages which may be allowed by law. MetLife will pay benefits when MetLife receives satisfactory Written proof of Your claim.

Proof must be given to MetLife not later than 90 days after the end of the Dental Expense Period in which the Covered Dental Expenses were incurred. If proof is not given on time, the delay will not cause a claim to be denied or reduced as long as the proof is given as soon as possible.

Appealing the Initial Determination

If MetLife denies Your claim, You may take two appeals of the initial determination. Upon Your written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim. You must submit Your appeal to MetLife at the address indicated on the claim form within 180 days of receiving MetLife’s decision. Appeals must be in writing and must include at least the following information:

• Name of Employee
• Name of the Plan
• Reference to the initial decision
• Whether the appeal is the first or second appeal of the initial determination
• An explanation why You are appealing the initial determination.

As part of each appeal, You may submit any written comments, documents, records, or other information relating to Your claim.

After MetLife receives Your written request appealing the initial determination or determination on the first appeal, MetLife will conduct a full and fair review of Your claim. Deference will not be given to initial denials, and MetLife’s review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that You submit relating to Your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review Your appeal will not be the same person as the person who made the initial decision to deny Your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny Your claim. If the initial denial is based in whole or in part on a medical judgment, MetLife will consult with a health care professional with appropriate training and experience in the field of dentistry involved in the judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

MetLife will notify You in writing of its final decision within 30 days after MetLife’s receipt of Your written request for review, except that under special circumstances MetLife may have up to an additional 30 days to provide written notification of the final decision. If such an extension is required, MetLife will notify You prior to the expiration of the initial 30 day period, state the reason(s) why such an extension is needed, and state when it will make its determination.

If MetLife denies the claim on appeal, MetLife will send You a final written decision that states the reason(s) why the claim You appealed is being denied and references any specific Plan provision(s) on which the denial is based. If an internal rule, protocol, guideline or other criterion was relied upon in denying the claim on appeal, the final written decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge. Upon written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim.

The New Jersey Domestic Partnership Act grants Domestic Partners some of the benefits, protections and responsibilities that flow from marriage under New Jersey state law. However, some or all of the benefits, protections and responsibilities related to health insurance that are available to married persons under federal law may not be available to Civil Union Partners or to Domestic Partners. For example, a federal law controls group health insurance continuation rights under 'COBRA' for employers with 20 or more employees as well as the Internal Revenue Code treatment of insurance premiums. As a result, Civil Union Partners, Domestic Partners and their families may or may not have access to certain benefits under this notice and the certificate to which it is attached that derive from federal law. You are advised to seek expert advice to determine Your rights under this notice and the certificate to which it is attached.

Dental claim forms can also be downloaded from www.metlife.com/dental. The instructions on the claim form should be followed carefully. This will expedite the processing of the claim. Be sure all questions are answered fully.

Routine Questions on Dental Insurance Claims

If there is any question about a claim payment, an explanation may be requested from MetLife by dialing 1-866-832-5756.

Claim Submission

For claims for Dental Insurance benefits, the claimant must complete the appropriate claim form and submit the required proof as described in the FILING A CLAIM section of the certificate.

Claim forms must be submitted in accordance with the instructions on the claim form.

Initial Determination

After You submit a claim for Dental Insurance benefits to MetLife, MetLife will notify You acknowledging receipt of Your claim, commence with any investigation, and request any additional information within 15 days of receipt of Your claim.

MetLife will notify You in writing of the acceptance or rejection of Your claim within 15 business days of receipt of all information needed to process Your claim.

If MetLife cannot accept or reject Your claim within 15 business days after receipt of all information, MetLife will notify You within 15 business days stating the reason why we require an extension. If an extension is requested, We will notify You of our decision to approve or deny Your claim within 45 days. Upon notification of approval, Your claim will be paid within 5 business days.

If MetLife denies Your claim in whole or in part, the notification of the claims decision will state the reason why Your claim was denied and reference the specific Plan provision(s) on which the denial is based. If the claim is denied because MetLife did not receive sufficient information, the claims decision will describe the additional information needed and explain why such information is needed. Further, if an internal rule, protocol, guideline or other criterion was relied upon in making the denial, the claims decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge.

Appealing the Initial Determination

If MetLife denies Your claim, You may take two appeals of the initial determination. Upon Your written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim. You must submit Your appeal to MetLife at the address indicated on the claim form within 180 days of receiving MetLife’s decision. Appeals must be in writing and must include at least the following information:

• Name of Employee;
• Name of the Plan;
• Reference to the initial decision;
• Whether the appeal is the first or second appeal of the initial determination;
• An explanation why You are appealing the initial determination.
As part of each appeal, You may submit any written comments, documents, records, or other information relating to Your claim.

After MetLife receives Your written request appealing the initial determination or determination on the first appeal, MetLife will conduct a full and fair review of Your claim. Deference will not be given to initial denials, and MetLife’s review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that You submit relating to Your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review Your appeal will not be the same person as the person who made the initial decision to deny Your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny Your claim. If the initial denial is based in whole or in part on a medical judgment, MetLife will consult with a health care professional with appropriate training and experience in the field of dentistry involved in the judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

MetLife will notify You in writing of its final decision within 30 days after MetLife’s receipt of Your written request for review, except that under special circumstances MetLife may have up to an additional 30 days to provide written notification of the final decision. If such an extension is required, MetLife will notify You prior to the expiration of the initial 30 day period, state the reason(s) why such an extension is needed, and state when it will make its determination.

If MetLife denies the claim on appeal, MetLife will send You a final written decision that states the reason(s) why the claim You appealed is being denied and references any specific Plan provision(s) on which the denial is based. If an internal rule, protocol, guideline or other criterion was relied upon in denying the claim on appeal, the final written decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge. Upon written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim.
NOTICE FOR RESIDENTS OF UTAH

Notice of Protection Provided by
Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, health, or annuity insurance company becomes financially unable to meet its obligations and is taken over by its insurance regulatory agency. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- **Life Insurance**
  - $500,000 in death benefits
  - $200,000 in cash surrender or withdrawal values

- **Health Insurance**
  - $500,000 in hospital, medical and surgical insurance benefits
  - $500,000 in long-term care insurance benefits
  - $500,000 in disability income insurance benefits
  - $500,000 in other types of health insurance benefits

- **Annuities**
  - $250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is $500,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits.

**Note:** Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. Coverage is conditioned on residency in this state and there are substantial limitations and exclusions. For a complete description of coverage, consult Utah Code, Title 31A, Chapter 28.

Insurance companies and agents are prohibited by Utah law to use the existence of the Association or its coverage to encourage you to purchase insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between Utah law and this notice, Utah law will control.

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.utlifega.org or contact:

Policies and Procedures for Emergency and Urgent Care

Urgent care and Emergency services: All member dentists of the MetLife Preferred Dentist Program are required to have 24-hour emergency coverage or have alternate arrangements for emergency care for their patients. Since the MetLife Preferred Dentist Program is a freedom-of-choice PPO program, there is no primary care physician. No authorization of a service is necessary by a Primary Care Physician, nor is it necessary to obtain a pre-authorization of services. The patient is free to use the dentist of their choice.

An important distinction to be made for this section is the difference between Urgent Care in a dental situation versus that found in medical. Urgent care is defined more narrowly in dental to mean the alleviation of severe pain (as there are no life-threatening situations in dental). Additionally, the alleviation of pain in dental is a simple palliative treatment, which is not subject to claim review.

The benefit amount will be consistent with the terms contained in the insured’s contract.
NOTICE TO RESIDENTS OF VIRGINIA (continued)

Urgent Care Submission:

A small number of claims for dental expense benefits may be urgent care claims. Urgent care claims for
dental expense benefits are claims for reimbursement of dental expenses for services which a dentist familiar
with the dental condition determines would subject the patient to severe pain that cannot be adequately
managed without the care or treatment that is the subject of the claim. Of course any such claim may always
be submitted in accordance with the normal claim procedures. However your dentist may also submit such a
claim to MetLife by telephoning MetLife and informing MetLife that the claim is an Urgent Care Claim. Urgent
Care Claims are processed according to the procedures set out above, however once a claim for urgent care
is submitted MetLife will notify you of the determination on the claim as soon as possible, but no later than 72
hours after the claim is filed. If you or your covered dependent does not provide the claims administrator with
enough information to decide the claim, MetLife will notify you within 24 hours after it receives the claim of the
further information that is needed. You will have 48 hours to provide the information. If the needed information
is provided, MetLife will then notify you of the claim decision within 48 hours after MetLife received the
information. If the needed information is not provided, MetLife will notify you or your covered dependent of its
decision within 120 hours after the claim was received.

If your urgent care claim is denied but you receive the care, you may appeal the denial using the normal claim
procedures. If your urgent care claim is denied and you do not receive the care, you can request an expedited
appeal of your claim denial by phone or in writing. MetLife will provide you any necessary information to assist
you in your appeal. MetLife will then notify you of its decision within 72 hours of your request in writing.
However, MetLife may notify you by phone within the same time frames above and then mail you a written
notice.

SPECIAL RULES FOR GROUPS PREVIOUSLY COVERED UNDER OTHER GROUP DENTAL COVERAGE

The following rules will apply if this Dental Insurance replaces other group dental coverage provided to You by the Policyholder.

Prior Plan means the group dental coverage provided to You by the Policyholder on the day before the Replacement Date.

Replacement Date means the effective date of this Dental Insurance under the Group Policy.

Rules if You or You and Your Dependents were Covered Under the Prior Plan on the Day Before the Replacement Date:

1. if You and Your Dependents were covered under the Prior Plan on the day before the Replacement Date, You will be eligible for this Dental Insurance on the Replacement Date if You are in an eligible class on such date;

2. if any of the following conditions occurred while coverage was in effect under the Prior Plan, We will treat such conditions as though they occurred while this Dental Insurance is in effect:
   - the loss of a tooth; and
   - the accumulation of amounts toward:
     a) Annual Deductibles;
     b) Annual Maximum Benefits;

3. if a dental service was received while the Prior Plan was in effect and such service would be a Covered Service subject to frequency and/or time limitations if performed while this Dental Insurance is in effect, the receipt of such prior service will be counted toward the time and frequency limitations under this Dental Insurance;

4. if a government mandated continuation of coverage under the Prior Plan was in effect on the Replacement Date, such coverage may be continued under this Dental Insurance if the required payment is made for the cost of such coverage. In such case, benefits will be available under this Dental Insurance until the earlier of:
   - the date the continued coverage ends as set forth in the provisions of the government-mandated requirements; or
   - the date this Dental Insurance ends.

Rules if You or You and Your Dependents were NOT covered under the Prior Plan on the Day Before the Replacement Date:

1. You will be eligible for this Dental Insurance when You meet the eligibility requirements for such insurance as described in ELIGIBILITY PROVISIONS: INSURANCE FOR YOU;

2. Your Dependents will be eligible for this Dental Insurance when they meet the eligibility requirements for such insurance as described in ELIGIBILITY PROVISIONS: INSURANCE FOR YOUR DEPENDENTS; and

3. We will credit any time accumulated toward any eligibility waiting period under the Prior Plan to the satisfaction of any eligibility waiting period required to be met under this Dental Insurance.
CONTINUATION OF INSURANCE WITH PREMIUM PAYMENT

FOR MENTALLY OR PHYSICALLY HANDICAPPED CHILDREN

Insurance for a Dependent Child may be continued past the age limit if the child is incapable of self-sustaining employment because of a mental or physical handicap as defined by applicable law. Proof of such handicap must be sent to Us within 31 days after the date the Child attains the age limit and at reasonable intervals after such date.

Subject to the DATE YOUR INSURANCE FOR YOUR DEPENDENTS ENDS subsection of the section entitled ELIGIBILITY PROVISIONS: INSURANCE FOR YOUR DEPENDENTS, insurance will continue while such Child:

- remains incapable of self-sustaining employment because of a mental or physical handicap; and
- continues to qualify as a Child, except for the age limit.

FOR FAMILY AND MEDICAL LEAVE

Certain leaves of absence may qualify for continuation of insurance under the Family and Medical Leave Act of 1993 (FMLA), or other legally mandated leave of absence or similar laws. Please contact the Policyholder for information regarding such legally mandated leave of absence laws.

COBRA CONTINUATION FOR DENTAL INSURANCE

If Dental Insurance for You or a Dependent ends, You or Your Dependent may qualify for continuation of such insurance under the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended (COBRA). Please refer to the COBRA section of Your summary plan description or contact the Policyholder for information regarding continuation of insurance under COBRA.

AT THE POLICYHOLDER'S OPTION

The Policyholder has elected to continue insurance by paying premiums for employees who cease Active Work in an eligible class for any of the reasons specified below. If Your insurance is continued, insurance for Your Dependents may also be continued.

Insurance will continue for the following periods:

1. if You cease Active Work due to any other Policyholder approved leave of absence, for a period in accordance with the Policyholder's general practice for an employee in Your job class;
2. if You cease Active Work due to layoff, for a period in accordance with the Policyholder's general practice for an employee in Your job class;
3. if You cease Active Work due to injury or sickness, for a period in accordance with the Policyholder's general practice for an employee in Your job class;

5. if You cease Active Work due to strike, for a period in accordance with the Policyholder's general practice for an employee in Your job class.

The Policyholder's general practice for employees in a job class determines which employees with the above types of absences are to be considered as still insured and for how long among persons in like situations.
CONTINUATION OF INSURANCE WITH PREMIUM PAYMENT (continued)

At the end of any of the continuation periods listed above, Your insurance will be affected as follows:

- if You resume Active Work in an eligible class at this time, You will continue to be insured under the Group Policy;
- if You do not resume Active Work in an eligible class at this time, Your employment will be considered to end and Your insurance will end in accordance with the DATE YOUR INSURANCE ENDS subsection of the section entitled ELIGIBILITY PROVISIONS: INSURANCE FOR YOU.

If Your insurance ends, Your Dependents’ insurance will also end in accordance with the DATE YOUR INSURANCE FOR YOUR DEPENDENTS ENDS subsection of the section entitled ELIGIBILITY PROVISIONS: INSURANCE FOR YOUR DEPENDENTS.
DENTAL INSURANCE

If You or a Dependent incur a charge for a Covered Service, Proof of such service must be sent to Us. When We receive such Proof, We will review the claim and if We approve it, will pay the insurance in effect on the date that service was completed.

This Dental Insurance gives You access to Dentists through the MetLife Preferred Dentist Program (PDP). Dentists participating in the PDP have agreed to limit their charge for a dental service to the Maximum Allowed Charge for such service. Under the PDP, We pay benefits for Covered Services performed by either In-Network Dentists or Out-of-Network Dentists. However, You may be able to reduce Your out-of-pocket costs by using an In-Network Dentist because Out-of-Network Dentists have not entered into an agreement with Us to limit their charges. You are always free to receive services from any Dentist. You do not need any authorization from Us to choose a Dentist.

The PDP does not provide dental services. Whether or not benefits are available for a particular service, does not mean You should or should not receive the service. You and Your Dentist have the right and are responsible at all times for choosing the course of treatment and services to be performed. After services have been performed, We will determine the extent to which benefits, if any, are payable.

When requesting a Covered Service from an In-Network Dentist, We recommend that You:

• identify Yourself as an insured in the Preferred Dentist Program; and
• confirm that the Dentist is currently an In-Network Dentist at the time that the Covered Service is performed.

The amount of the benefit will not be affected by whether or not You identify Yourself as a member in the Preferred Dentist Program.

You can obtain a customized listing of MetLife’s In-Network Dentists either by calling 1-866-832-5756 or by visiting Our website at www.metlife.com/dental.

BENEFIT AMOUNTS

We will pay benefits in an amount equal to the Covered Percentage for charges incurred by You or a Dependent for a Covered Service as shown in the SCHEDULE OF BENEFITS, subject to the conditions set forth in this certificate.

In-Network

If a Covered Service is performed by an In-Network Dentist, We will base the benefit on the Covered Percentage of the Maximum Allowed Charge.

If an In-Network Dentist performs a Covered Service, You will be responsible for paying any other part of the Maximum Allowed Charge for which We do not pay benefits.

Out-of-Network

If a Covered Service is performed by an Out-of-Network Dentist, We will base the benefit on the Covered Percentage of the Maximum Allowed Charge.

Out-of-Network Dentists may charge You more than the Maximum Allowed Charge. If an Out-of-Network Dentist performs a Covered Service, You will be responsible for paying:

• the Deductible;
• any other part of the Maximum Allowed Charge for which We do not pay benefits; and
• any amount in excess of the Maximum Allowed Charge charged by the Out-of-Network Dentist.
DENTAL INSURANCE (continued)

Emergency Dental Condition

If You cannot reasonably reach an In-Network Dentist, benefits for an Emergency Dental Condition performed by an Out-of-Network Dentist will be paid as if the Covered Service had been performed by an In-Network Dentist. You must confirm to Us in writing that the Covered Service was obtained from an Out-of-Network Dentist solely because You required treatment for an Emergency Dental Condition and an In-Network Dentist was not available.

Maximum Benefit Amounts

The SCHEDULE OF BENEFITS sets forth Maximum Benefit Amounts We will pay for Covered Services received In-Network and Out-of-Network. We will never pay more than the greater of the In-Network Maximum Benefit Amount or the Out-of-Network Maximum Benefit Amount.

For example, if a Covered Service is received Out-of-Network and We pay $300 in benefits for such service, $300 will be applied toward both the In-Network and the Out-of-Network Maximum Benefit Amounts applicable to such service.

Deductibles

The Deductible amounts are shown in the SCHEDULE OF BENEFITS.

The Yearly Individual Deductible is the amount that You and each Dependent must pay for Covered Services to which such Deductible applies each Year before We will pay benefits for such Covered Services.

We apply amounts used to satisfy Yearly Individual Deductibles to the Yearly Family Deductible. Once the Yearly Family Deductible is satisfied, no further Yearly Individual Deductibles are required to be met.

The amount We apply toward satisfaction of a Deductible for a Covered Service is the amount We use to determine benefits for such service. The Deductible Amount will be applied based on when Dental Insurance claims for Covered Services are processed by Us. The Deductible Amount will be applied to Covered Services in the order that Dental Insurance claims for Covered Services are processed by Us regardless of when a Covered Service is “incurred”. When several Covered Services are incurred on the same date and Dental Insurance benefits are claimed as part of the same claim, the Deductible Amount is applied based on the Covered Percentage applicable to each Covered Service. The Deductible Amount will be applied in the order of highest Covered Percentage to lowest Covered Percentage.

Alternate Benefit

If We determine that a service, less costly than the Covered Service the Dentist performed, could have been performed to treat a dental condition, We will pay benefits based upon the less costly service if such service:

- would produce a professionally acceptable result under generally accepted dental standards; and
- would qualify as a Covered Service.

For example, when an amalgam filling and a composite filling are both professionally acceptable methods for filling a molar, We may base Our benefit determination upon the amalgam filling which is the less costly service.

If We pay benefits based upon a less costly service in accordance with this subsection, the Dentist may charge You or Your Dependent for the difference between the service that was performed and the less costly service. This is the case even if the service is performed by an In-Network Dentist.
DENTAL INSURANCE (continued)

Pretreatment Estimate of Benefits

If a planned dental service is expected to cost more than $350, You have the option of requesting a pretreatment estimate of benefits. The Dentist should submit a claim detailing the services to be performed and the amount to be charged. After We receive this information, We will provide You with an estimate of the Dental Insurance benefits available for the service. The estimate is not a guarantee of the amount We will pay. Under the Alternate Benefit provision, benefits may be based on the cost of a service other than the service that You choose. You are required to submit Proof on or after the date the dental service is completed in order for Us to pay a benefit for such service.

The pretreatment estimate of benefits is only an estimate of benefits available for proposed dental services. You are not required to obtain a pretreatment estimate of benefits. As always, You or Your Dependent and the Dentist are responsible for choosing the services to be performed.

Benefits We Will Pay After Insurance Ends

We will pay benefits for a 90 day period after Your insurance ends if:

- the Covered Service was performed by a Dentist while You are insured for Dental Insurance; and
- the Covered Service requires more than one visit to complete.

If You are Fully Disabled on the date Your Dental Insurance ends because this policy ends, We will pay benefits for Covered Services if:

- the Covered Service was recommended in Writing by a Dentist or Physician;
- the Covered Service was begun prior to the date Your Dental Insurance ended;
- the Covered Service was performed within 90 days after this Dental Insurance ends.

"Fully Disabled" for purposes of Dental Insurance means that because of a sickness or injury: You can not do Your job; or a Dependent can not do his or her usual activities.

DENTAL INSURANCE: COORDINATION OF BENEFITS

You or Your Dependent may be covered for health benefits or services by more than one Plan. For instance, You may be covered by this Policy as an employee and by another Plan as a Dependent of Your spouse or Civil Union partner. If You or Your Dependent is, this provision allows Us to coordinate what We pay with what another Plan pays or provides. This provision sets forth the rules for determining which is the Primary Plan and which is the Secondary Plan. Coordination of benefits is intended to avoid duplication of benefits while at the same time preserving certain rights to coverage under all Plans under which the covered person is covered.

Definitions

The words shown below have special meanings when used in this provision. Please read these definitions carefully.

“Allowable Expense” means the charge for any dental service, supply or other item of expense for which the covered person is liable when the dental service, supply or other item of expense is covered at least in part under any of the Plans involved, except where a statute requires another definition, or as otherwise stated below.

“Claim Determination Period” means a calendar Year, or portion of a calendar Year, during which You or Your Dependent is covered by this Policy and at least one other Plan and incurs one or more Allowable Expense(s) under such Plans.

“Plan” means coverage with which coordination of benefits is allowed. Plan includes:

- group insurance and group subscriber contracts, including insurance continued pursuant to a Federal or State continuation law;
- self-funded arrangements of group or group-type coverage, including insurance continued pursuant to a Federal or State continuation law;
- group or group-type coverage through a health maintenance organization (HMO) or other prepayment, group practice and individual practice Plans, including insurance continued pursuant to a Federal or State continuation law;
- Medicare or other governmental benefits, except when, pursuant to law, the benefits must be treated as in excess of those of any private insurance Plan or nongovernmental Plan.

Plan does not include:

- individual or family insurance contracts or subscriber contracts;
- individual or family coverage through a health maintenance organization or under any other prepayment, group practice and individual practice Plans;
- group or group-type coverage where the cost of coverage is paid solely by the covered person except when coverage is being continued pursuant to a Federal or State continuation law;
- school accident -- type coverage
- a State Plan under Medicaid

“Primary Plan” means a Plan whose benefits for a covered person's dental coverage must be determined without taking into consideration the existence of any other Plan. There may be more than one Primary Plan. A Plan will be the Primary Plan if either "1" or "2" below exist:

1. the Plan has no order of benefit determination rules, or it has rules that differ from those contained in this Coordination of Benefits provision; or
2. all Plans which cover the covered person use order of benefit determination rules consistent with those contained in the Coordination of Benefits provision and under those rules, the Plan determines its benefits first.
“Reasonable and Customary” means, for the purposes of this Coordination of Benefits provision only, an amount that is not more than the usual or customary charge for the service or supply as determined by the Plan, based on a standard which is most often charged for a given service by a Dentist within the same geographic area.

“Secondary Plan” means a Plan which is not a Primary Plan. If a covered person is covered by more than one Secondary Plan, the order of benefit determination rules of this Coordination of Benefits and Services provision shall be used to determine the order in which the benefits payable under the multiple Secondary Plans are paid in relation to each other. The benefits of each Secondary Plan may take into consideration the benefits of the Primary Plan or Plans and the benefits of any other Plan which, under this Coordination of Benefits and Services provision, has its benefits determined before those of that Secondary Plan.

Primary And Secondary Plan

We consider each Plan separately when coordinating payments.

The Primary Plan pays or provides services or supplies first, without taking into consideration the existence of a Secondary Plan. If a Plan has no coordination of benefits provision, or if the order of benefit determination rules differ from those set forth in these provisions, it is the Primary Plan.

A Secondary Plan takes into consideration the benefits provided by a Primary Plan when, according to the rules set forth below, the Plan is the Secondary Plan. If there is more than one Secondary Plan, the order of benefit determination rules determine the order among the Secondary Plans. The Secondary Plan (s) will pay up to the remaining unpaid allowable expenses, but no Secondary Plan will pay more than it would have paid if it had been the Primary Plan. The method the Secondary Plan uses to determine the amount to pay is set forth below in the Procedures to be Followed by the Secondary Plan to Calculate Benefits section of this provision.

As is always true, we will not reduce Allowable Expenses for dentally necessary and appropriate services and supplies on the basis that precertification, preapproval, notification or second surgical opinion procedures were not followed.

Rules For The Order Of Benefit Determination

The benefits of the Plan that covers the covered person as an employee, member, subscriber or retiree shall be determined before those of the Plan that covers the covered person as a dependent. The coverage as an employee, member, subscriber or retiree is the Primary Plan.

1. The benefits of the Plan that covers the covered person as an employee who is neither laid off nor retired, or as a dependent of such person, shall be determined before those for the Plan that covers the covered person as a laid off or retired employee, or as such a person's dependent. If the other Plan does not contain this rule, and as a result the Plans do not agree on the order of benefit determination, this portion of this provision shall be ignored.

2. The benefits of the Plan that covers the covered person as an employee, member, subscriber or retiree, or dependent of such person, shall be determined before those of the Plan that covers the covered person under a right of continuation pursuant to Federal or State law. If the other Plan does not contain this rule, and as a result the Plans do not agree on the order of benefit determination, this portion of this provision shall be ignored.

3. If a child is covered as a dependent under Plans through both parents, and the parents are neither separated nor divorced, the following rules apply:

   a. The benefits of the Plan of the parent whose birthday falls earlier in the Calendar Year shall be determined before those of the parent whose birthday falls later in the Calendar year.

   b. If both parents have the same birthday, the benefits of the Plan which covered the parent for a longer period of time shall be determined before those of the parent for a shorter period of time.
DENTAL INSURANCE: COORDINATION OF BENEFITS (continued)

c. Birthday, as used above, refers only to month and day in a calendar year, not the year in which the
parent was born.
d. If the other Plan contains a provision that determines the order of benefits based on the gender of the
parent, the birthday rule in this provision shall be ignored.

4. If a child is covered as a Dependent under Plans through both parents, and the parents are separated or
divorced, the following rules apply:
a. The benefits of the Plan of the parent with custody of the child shall be determined first.
b. The benefits of the Plan of the spouse or Civil Union partner of the parent with custody shall be
determined second.
c. The benefits of the Plan of the parent without custody shall be determined last.
d. If the terms of a court decree state that one of the parents is responsible for the dental expenses for
the child, and if the entity providing coverage under that Plan has knowledge of the terms of the court
decree, then the benefits of that Plan shall be determined first. The benefits of the Plan of the other
parent shall be considered as secondary. Until the entity providing coverage under the Plan has
knowledge of the terms of the court decree regarding dental expenses, this portion of this provision
shall be ignored.

5. If the above order of benefits does not establish which Plan is the Primary Plan, the benefits of the Plan
that covers the employee, member or subscriber for a longer period of time shall be determined before
the benefits of the Plan(s) that covered the person for a shorter period of time.

Procedures to be Followed by the Secondary Plan to Calculate Benefits

In order to determine which procedure to follow, it is necessary to consider:

• the basis on which the Primary Plan and the Secondary Plan pay benefits; and
• whether the Dentist who provides or arranges the services and supplies is in the network of either the
Primary Plan or the Secondary Plan. For the purpose of applying the following provisions, if the Plan
does not have a network, the Dentist will be considered on the same basis as an in-network Dentist.

Benefits may be based on the Reasonable and Customary Charge (R&C), or some similar term. This means
that the Dentist bills a charge and the covered person may be held liable for the full amount of the billed
charge. In this section, a Plan that bases benefits on a reasonable and customary charge is called an "R&C
Plan."

Benefits may be based on a contractual fee schedule, sometimes called a negotiated fee schedule, or some
similar term. This means that although a Dentist, called a network Dentist, bills a charge, the covered person
may be held liable only for an amount up to the negotiated fee. In this section, a Plan that bases benefits on a
negotiated fee schedule is called a "Fee Schedule Plan." If the covered person uses the services of a non-
network Dentist, the Plan will be treated as an R&C Plan even though the Plan under which he or she is
covered allows for a fee schedule.

Payment to the Dentist may be based on a capitation. This means that the health maintenance organization
(HMO) pays the Dentist a fixed amount per covered person. The covered person is liable only for the
applicable deductible, coinsurance or copayment. If the covered person uses the services of a non-network
Dentist, the HMO will only pay benefits in the event of emergency care or urgent care. In this section, a Plan
that pays Dentists based upon capitation is called a "Capitation Plan."

In the rules below, "Dentist" refers to the Dentist who provides or arranges the services or supplies and HMO
refers to a health maintenance organization Plan.
The Primary Plan is an R&C Plan and the Secondary Plan is an R&C Plan: The Secondary Plan shall pay the lesser of:

- the difference between the amount of the billed charges and the amount paid by the Primary Plan; and
- the amount the Secondary Plan would have paid if it had been the Primary Plan.

When the benefits of the Secondary Plan are reduced as a result of this calculation, each benefit shall be reduced in proportion, and the amount paid shall be charged against any applicable benefit limit of the Plan.

The Primary Plan is a Fee Schedule Plan and the Secondary Plan is a Fee Schedule Plan: If the Dentist is a network Dentist in both the Primary Plan and the Secondary Plan, the Allowable Expense shall be the fee schedule of the Primary Plan. The Secondary Plan shall pay the lesser of:

- the amount of any deductible, coinsurance or copayment required by the Primary Plan; or
- the amount the Secondary Plan would have paid if it had been the Primary Plan.

The total amount the Dentist receives from the Primary Plan, the Secondary Plan and the covered person shall not exceed the fee schedule of the Primary Plan. In no event shall the covered person be responsible for any payment in excess of the copayment, coinsurance or deductible of the Secondary Plan.

The Primary Plan is an R&C Plan and the Secondary Plan is a Fee Schedule Plan: If the Dentist is a network Dentist in the Secondary Plan, the Secondary Plan shall pay the lesser of:

- the difference between the amount of the billed charges for the Allowable Charges and the amount paid by the Primary Plan; or
- the amount the Secondary Plan would have paid if it had been the Primary Plan.

The covered person shall only be liable for the copayment, deductible or coinsurance under the Secondary Plan if the covered person has no liability for copayment, deductible or coinsurance under the Primary Plan and the total payments by both the Primary and Secondary Plans are less than the Dentist's billed charges. In no event shall the covered person be responsible for any payment in excess of the copayment, coinsurance or deductible of the Secondary Plan.

The Primary Plan is a Fee Schedule Plan and the Secondary Plan is an R&C Plan: If the Dentist is a network Dentist in the Primary Plan, the Allowable Expense considered by the Secondary Plan shall be the fee schedule of the Primary Plan. The Secondary Plan shall pay the lesser of:

- the amount of any deductible, coinsurance or copayment required by the Primary Plan; or
- the amount the Secondary Plan would have paid if it had been the Primary Plan.

The Primary Plan is a Fee Schedule Plan and the Secondary Plan is an R&C Plan or Fee Schedule Plan: If the Primary Plan is an HMO Plan that does not allow for the use of non-network Dentists except in the event of urgent care or emergency care and the service or supply the covered person receives from a non-network Dentist is not considered as urgent care or emergency care, the Secondary Plan shall pay benefits as if it were the Primary Plan.

The Primary Plan is a Capitation Plan and the Secondary Plan is a Fee Schedule Plan or R&C Plan: If the covered person receives services or supplies from a Dentist who is in the network of both the Primary Plan and the Secondary Plan, the Secondary Plan shall pay the lesser of:

a) the amount of any deductible, coinsurance or copayment required by the Primary Plan; or
b) the amount the Secondary Plan would have paid if it had been the Primary Plan.

Right To Receive And Release Needed Information

Certain facts are needed to apply these COB rules. We have the right to decide which facts We need. We may get needed facts from or give them to any other organization or person. We need not tell, or get the consent of, any person to do this. Each person claiming benefits under This Plan must give Us any facts We need to pay the claim.

Facility Of Payment

A payment made under another Plan may include an amount which should have been paid under This Plan. If it does, We may pay that amount to the organization which made that payment. That amount will then be treated as though it were a benefit paid under This Plan. We will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means reasonable monetary value of the benefits provided in the form of services.

Right Of Recovery

If the amount of the payments made by Us is more than it should have paid under this COB provision, We may recover the excess from one or more of:

- the persons We have paid or for whom We have paid;
- insurance companies; or
- other organizations.

The "amount of the payments made" includes the reasonable monetary value of any benefits provided in the form of services.
FILING A CLAIM

The Policyholder should have a supply of claim forms. Obtain a claim form from the Policyholder and fill it out carefully. Return the completed claim form with the required Proof to the Policyholder. The Policyholder will certify Your insurance under the Group Policy and send the certified claim form and Proof to Us.

For Dental Insurance, all claim forms needed to file for benefits under the group insurance program can be obtained by calling MetLife at 1-866-832-5756. Dental claim forms can also be downloaded from www.metlife.com/dental. The instructions on the claim form should be followed carefully. This will expedite the processing of the claim.

When We receive the claim form and Proof, We will review the claim and, if We approve it, We will pay benefits subject to the terms and provisions of this certificate and the Group Policy.

CLAIMS FOR DENTAL INSURANCE BENEFITS

When a claimant files a claim for Dental Insurance benefits described in this certificate, both the notice of claim and the required Proof should be sent to Us within 90 days of the date of a loss.

Claim and Proof may be given to Us by following the steps set forth below:

Step 1
A claimant can request a claim form by calling Us at 1-866-832-5756 within 20 days of the date of the loss.

Step 2
We will send a claim form to the claimant within 15 days of the request. The person making such claim shall be deemed to have complied with the requirements of the policy as to Proof of loss upon submitting within the time fixed in the policy for filing Proof of loss, written Proof covering the occurrence, character and extent of the loss for which claim is made. The instructions on the claim form should be followed carefully. This will expedite the processing of the claim.

Step 3
When the claimant receives the claim form, the claimant should fill it out as instructed and return it with the required Proof described in the claim form.

Step 4
The claimant must give Us Proof not later than 90 days after the date of the loss.

However, failure to give notice and Proof within such time shall not invalidate nor reduce any claim if it shall be shown not to have been reasonably possible to give such and notice and Proof and that notice and Proof was given as soon as was reasonably possible.

Time Limit on Legal Actions for Dental Insurance. A legal action on a claim may only be brought against Us during a certain period. This period begins 60 days after the date Proof is filed and ends 3 years after the date such Proof is required.
DENTAL INSURANCE: PROCEDURES FOR DENTAL CLAIMS

Procedures for Presenting Claims for Dental Insurance Benefits

For claims for Dental Insurance benefits, the claimant must complete the appropriate claim form and submit the required proof as described in the FILING A CLAIM section of the certificate.

Claim forms must be submitted in accordance with the instructions on the claim form.

All claim forms needed to file for Dental Insurance benefits under the group insurance program can be obtained from the Employer who can also answer questions about the insurance benefits and to assist You or, if applicable, Your beneficiary in filing claims. Dental claim forms can also be downloaded from www.metlife.com/dental. The instructions on the claim form should be followed carefully. This will expedite the processing of the claim. Be sure all questions are answered fully.

Under New Jersey law, we must require that Dentists file all claims for dental services, but You are permitted, at Your option to submit a claim on behalf of yourself or Your Dependent. Under New Jersey law, all claims shall be filed using the standard dental claim form applicable to this policy.

Acknowledgement of Receipt of Claims

We shall acknowledge receipt of all claims and include the date We received the claim.

If a claim is submitted by electronic means, an “Electronic Claim”, the claim shall be acknowledged electronically no later than two working days following Our receipt of the claim. The acknowledgement of receipt shall go to the entity from which or from whom We received the claim.

If a claim is submitted by written notice, a “written claim”, the claim shall be acknowledged no later than 15 working days following Our receipt of the claim.

If We pay benefits on the claim within two days of Our receipt of an Electronic Claim or within 15 days of Our receipt of a Written Claim, the payment shall include the date of our receipt of the claim and the payment shall be deemed to be the acknowledgement of Our receipt of the claim.

When Dentists are offered web-based access to the status of claims, the available information shall include the date of Our receipt of the claims. If provided on a timely basis under the time frames described above, such information shall be deemed to be the acknowledgement of Our receipt of the claim.

When Dentists are provided access to claims status via an automated telephone system and the available information includes the date of Our receipt of the claims and that information is made available on a timely basis under the time frames described above, the posting of that information shall be deemed to be the acknowledgement of receipt of those claims.

Claim Submission Requirements

We shall notify Participating Dentists at least annually and shall make available to You or Your Dependent upon request, a listing of the type of information and documentation that must be submitted with an Electronic Claim or a Written Claim, including a standard claim form and any other claim submission requirements. We may change the required information and documentation as long as Participating Dentists are given at least 30 days prior notice of the change in requirements. We shall also provide Participating Dentists with a street address where a claim submission can be delivered by hand or registered/certified mail.

Prompt payment of claims

A Clean Claim is a claim:

- which is an eligible claim for a Covered Service provided by a Dentist to a covered person under the policy;
- which has no material defect or impropriety, including, but not limited to, any lack of required substantiating documentation or incorrect coding;
- on which there is no dispute regarding the amount claimed;
DENTAL INSURANCE: PROCEDURES FOR DENTAL CLAIMS (continued)

- which We have no reason to believe that the claim has been submitted fraudulently; and
- which requires no special treatment that prevents timely payments from being made on the claim under the terms of the policy.

We shall pay benefits for Clean Electronic Claims within the earlier of:

- 30 calendar days after receipt of the claim or
- the time established for the Federal Medicare program.

We shall pay benefits for Electronic Claims that are disputed or denied because of missing information or documentation within 30 calendar days of receipt of the missing information or documentation.

We shall pay benefits for Clean Written Claims within 40 calendar days after Our receipt of the claim.

We shall pay benefits for Written Claims that are disputed or denied because of missing information or documentation within 40 calendar days of receipt of the missing information or documentation.

Payment of a claim shall be considered to have been made:

- on the date a draft or other valid instrument equivalent to payment was placed in the United States mail in a properly addressed, postpaid envelope; or
- on the date of delivery of a draft or other valid instrument equivalent to payment.

Denied and disputed claims

If only a portion of a claim is disputed or denied, We shall pay benefits for the uncontested portion on the same basis as for a clean claim. The pending of a claim does not constitute a dispute or denial.

For a denied or disputed claim, within 30 or 40 calendar days of Our receipt of the claim, whichever applies, We shall notify You or the Dentist, as appropriate, of the basis for Our decision to deny or dispute the claim.

This notice will identify and explain all reasons why the claim was denied or disputed. If a claim is denied because it cannot be entered into the claims system, then the notice will include all reasons why the claim cannot be entered into the claims systems. Examples of reasons why a claim cannot be entered into the claims system include:

- the group is not covered on the date of service;
- You or Your dependent are not covered on the date of service;
- non-payment of premium;
- missing data fields;
- missing or incorrect data (for example, CDT code, date of service, Dentist name); and
- ineligible provider.

If the reasons why a claim cannot be entered into the claims system are subsequently cured and the claim is entered, Our first review after the claim is entered shall identify all applicable reasons why the claim is being denied or disputed.

We shall deny or dispute a claim only for:

- reasons identified in the first review after the claim is entered; or
- additional reasons which We were led to by information or documentation relevant to the claim where such information or documentation was received after the first review.
DENTAL INSURANCE: PROCEDURES FOR DENTAL CLAIMS (continued)

Where missing information or documentation is a reason to deny or dispute the claim, within 30 or 40 calendar days of Our receipt of the claim, whichever applies, We shall notify You or the Dentist, as appropriate, of the basis for Our decision to deny or dispute the claim. Such notice shall also specify the additional information or documentation that is required.

If the amount of the claim is disputed, the notice will include an explanation of the reason for the dispute, including any change of coding performed by Us and the reasons for such change of coding. The notice will also include a toll free telephone number for the Dentist or claimant to call to discuss the claim with Us.

Under New Jersey law, if We do not provide the notice required above We waive our right to contest the claim for any reason other than the referral of the claim to the Office of Insurance Fraud Prosecutor in accordance with Our Fraud Prevention and Detection Plan.

If We fail to pay a clean claim within the time limits set forth above, We shall include simple interest on the claim amount at the rate of 12 percent per year and shall either add the interest amount to the claim amount when paying the claim or issue an interest payment within 14 days of the payment of the claim. Interest shall accrue beginning 30 or 40 days, as applicable, from the date all information and documentation required to process the claim is received by Us. We may aggregate interest amounts up to $25.00, with the consent of the Dentist.

If We have reason to believe that the claim has been submitted fraudulently, We shall investigate the claim in accordance with Our fraud prevention plan established under New Jersey law or refer the claim to the Office of the Insurance Fraud Prosecutor in the Department of Law and Public Safety.

Unless otherwise provided by law, We shall pay the amount finally agreed upon in settlement of all or part of any claim not later than ten working days from either the receipt of such agreement by Us or the date of the performance by You or the Dentist of any conditions to payment set forth in the agreement, whichever is later.

We shall adjust claims previously paid only on the basis of actual identifiable error(s) in the submission, processing or payment of a particular claim(s). We shall not adjust previously paid claims based on extrapolation, with the following exceptions:

- Where the extrapolation, including the method, is non-binding;
- In judicial or quasi-judicial proceedings, including arbitration;
- In governmental administrative proceedings;
- Where relevant records required to be maintained by the Dentist have been improperly altered or reconstructed, or a material number of such records are unavailable; or
- Where there is clear evidence of claim fraud or abuse by the Dentist.

Routine Questions on Dental Insurance Claims

If there is any question about a claim payment, an explanation may be requested from MetLife by dialing 1-866-832-5756.
Appealing the Initial Determination

If MetLife denies Your claim, You may take two appeals of the initial determination. Upon Your written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim. You must submit Your appeal to MetLife at the address indicated on the claim form within 180 days of receiving MetLife’s decision. Appeals must be in writing and must include at least the following information:

- Name of Employee;
- Name of the Plan;
- Reference to the initial decision;
- Whether the appeal is the first or second appeal of the initial determination;
- An explanation why You are appealing the initial determination.

As part of each appeal, You may submit any written comments, documents, records, or other information relating to Your claim.

After MetLife receives Your written request appealing the initial determination or determination on the first appeal, MetLife will conduct a full and fair review of Your claim. Deference will not be given to initial denials, and MetLife’s review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that You submit relating to Your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review Your appeal will not be the same person as the person who made the initial decision to deny Your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny Your claim. If the initial denial is based in whole or in part on a medical judgment, MetLife will consult with a health care professional with appropriate training and experience in the field of dentistry involved in the judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

MetLife will notify You in writing of its final decision within 30 days after MetLife’s receipt of Your written request for review, except that under special circumstances MetLife may have up to an additional 30 days to provide written notification of the final decision. If such an extension is required, MetLife will notify You prior to the expiration of the initial 30 day period, state the reason(s) why such an extension is needed, and state when it will make its determination.

If MetLife denies the claim on appeal, MetLife will send You a final written decision that states the reason(s) why the claim You appealed is being denied and references any specific Plan provision(s) on which the denial is based. If an internal rule, protocol, guideline or other criterion was relied upon in denying the claim on appeal, the final written decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge. Upon written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim.

PLAN TERMINATION OR CHANGES

The group policy sets forth those situations in which the Employer and/or MetLife have the rights to end the policy.

The Employer reserves the right to change or terminate the Plan at any time. Therefore, there is no guarantee that you will be eligible for the insurance described herein for the duration of your employment. Any such action will be taken only after careful consideration.

Your consent or the consent of your beneficiary is not required to terminate, modify, amend, or change the Plan.

In the event Your insurance ends in accordance with the DATE YOUR INSURANCE ENDS and DATE YOUR INSURANCE FOR YOUR DEPENDENTS ENDS subsections of Your certificate, you may still be eligible to receive benefits. The circumstances under which benefits are available are described in Your MetLife certificate.

CLAIMS INFORMATION

Dental Benefits Claims

Procedures for Presenting Claims for Dental Benefits

All claim forms needed to file for benefits under the group insurance program can be obtained from the Employer who can also answer questions about the insurance benefits and to assist you or, if applicable, your beneficiary in filing claims. Dental claim forms can also be downloaded from www.metlife.com/dental.

Routine Questions

If there is any question about a claim payment, an explanation may be requested from MetLife by dialing 1-866-832-5756.

Claim Submission

For claims for dental benefits, the claimant must complete the appropriate claim form and submit the required proof as described in the FILING A CLAIM section of the certificate.

Claim forms must be submitted in accordance with the instructions on the claim form.

Initial Determination

After you submit a claim for dental benefits to MetLife, MetLife will review your claim and notify you of its decision to approve or deny your claim.

Such notification will be provided to you within a 30 day period from the date you submitted your claim; except for situations requiring an extension of time of up to 15 days because of matters beyond the control of the Plan. If MetLife needs such an extension, MetLife will notify you prior to the expiration of the initial 30 day period, state the reason why the extension is needed, and state when it will make its determination. If an extension is needed because you did not provide sufficient information or filed an incomplete claim, the time from the date of MetLife’s notice requesting further information and an extension until MetLife receives the requested information does not count toward the time period MetLife is allowed to notify you as to its claim decision. You will have 45 days to provide the requested information from the date you receive the notice requesting further information from MetLife.
If MetLife denies your claim in whole or in part, the notification of the claims decision will state the reason why your claim was denied and reference the specific Plan provision(s) on which the denial is based. If the claim is denied because MetLife did not receive sufficient information, the claims decision will describe the additional information needed and explain why such information is needed. Further, if an internal rule, protocol, guideline or other criteria was relied upon in making the denial, the claims decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that you may request a copy free of charge.

Appealing the Initial Determination

If MetLife denies your claim, you may make two appeals of the initial determination. Upon your written request, MetLife will provide you free of charge with copies of documents, records and other information relevant to your claim. You must submit your appeal to MetLife at the address indicated on the claim form within 180 days of receiving MetLife's decision. Appeals must be in writing and must include at least the following information:

- Name of Employee
- Name of the Plan
- Reference to the initial decision
- Whether the appeal is the first or second appeal of the initial determination
- An explanation why you are appealing the initial determination

As part of each appeal, you may submit any written comments, documents, records, or other information relating to your claim.

After MetLife receives your written request appealing the initial determination or determination on the first appeal, MetLife will conduct a full and fair review of your claim. Deference will not be given to initial denials, and MetLife's review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that you submit relating to your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review your appeal will not be the same person as the person who made the initial decision to deny your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny your claim. If the initial denial is based in whole or in part on a medical judgment, MetLife will consult with a health care professional with appropriate training and experience in the field of dentistry involved in the judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

MetLife will notify you in writing of its final decision within 30 days after MetLife's receipt of your written request for review, except that under special circumstances MetLife may have up to an additional 30 days to provide written notification of the final decision. If such an extension is required, MetLife will notify you prior to the expiration of the initial 30 day period, state the reason(s) why such an extension is needed, and state when it will make its determination.

If MetLife denies the claim on appeal, MetLife will send you a final written decision that states the reason(s) why the claim you appealed is being denied and references any specific Plan provision(s) on which the denial is based. If an internal rule, protocol, guideline or other criteria was relied upon in denying the claim on appeal, the final written decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that you may request a copy free of charge. Upon written request, MetLife will provide you free of charge with copies of documents, records and other information relevant to your claim.

When the claim has been processed, you will be notified of the benefits paid. If any benefits have been denied, you will receive a written explanation.
Urgent Care Claim Submission

A small number of claims for dental benefits may be urgent care claims. Urgent care claims for dental benefits are claims for reimbursement of dental expenses for services which a dentist familiar with the dental condition determines would subject the patient to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim. Of course any such claim may always be submitted in accordance with the normal claim procedures. However your dentist may also submit such a claim to MetLife by telephoning MetLife and informing MetLife that the claim is an Urgent Care Claim. Urgent Care Claims are processed according to the procedures set out above, however once a claim for urgent care is submitted, MetLife will notify you of the determination on the claim as soon as possible, but no later than 72 hours after the claim was filed. If you or your covered dependent does not provide the claims administrator with enough information to decide the claim, MetLife will notify you within 24 hours after it receives the claim of the further information that is needed. You will have 48 hours to provide the information. If the needed information is provided, MetLife will then notify you of the claim decision within 48 hours after MetLife received the information. If the needed information is not provided, MetLife will notify you or your covered dependent of its decision within 120 hours after the claim was received.

If your urgent care claim is denied but you receive the care, you may appeal the denial using the normal claim procedures. If your urgent care claim is denied and you do not receive the care, you can request an expedited appeal of your claim denial by phone or in writing. MetLife will provide you any necessary information to assist you in your appeal. MetLife will then notify you of its decision within 72 hours of your request in writing. However, MetLife may notify you by phone within the time frames above and then mail you a written notice.

Discretionary Authority of Plan Administrator
and Other Plan Fiduciaries

In carrying out their respective responsibilities under the Plan, the Plan administrator and other Plan fiduciaries shall have discretionary authority to interpret the terms of the Plan and to determine eligibility for and entitlement to Plan benefits in accordance with the terms of the Plan. Any interpretation or determination made pursuant to such discretionary authority shall be given full force and effect, unless it can be shown that the interpretation or determination was arbitrary and capricious.

NOTICE OF YOUR RIGHT AND YOUR DEPENDENTS' RIGHT TO COBRA CONTINUATION COVERAGE

COBRA is a federal law that requires most group health plans to give their employees and their dependents the opportunity to continue coverage when coverage is terminated due to certain specific events. If your employment terminates for any reason other than your gross misconduct, or if your hours worked are reduced so that your coverage terminates, you and your covered dependents may be able to continue coverage under this Plan for a period of up to 18 months. If it is determined under the terms of the Social Security Act that you or your covered dependent is disabled within the first 60 days of COBRA coverage, you and your covered dependents may be able to continue your dental coverage under this Plan for an additional 11 months after the expiration of the 18 month period. In addition, if you should die, become divorced or legally separated, or become eligible for Medicare, your covered dependents may be able to continue coverage under this Plan for up to 36 months. Also, your covered children may be able to continue coverage under this Plan for up to 36 months after they no longer qualify as covered dependents under the terms of this Plan. Group health plans for employers with fewer than 20 employees, church plans, and plans established and maintained by the federal government are not subject to COBRA continuation requirements.

During the continuation period, a child of yours that is (1) born; (2) adopted by you; or (3) placed with you for adoption, will be treated as if the child were a covered dependent at the time coverage was lost due to an event described above.
This continuation will terminate on the earliest of:

a. the end of the 18, 29 or 36 month continuation period, as the case may be;

b. the date of expiration of the last period for which the required payment was made;

c. the date, after you or your covered dependent elects to continue coverage, that you or your covered dependent first becomes covered under another group health plan as long as the new plan does not contain any exclusion or limitation with respect to your or your covered dependent's preexisting condition;

d. the date your employer ceases to provide any group health plan for its employees.

Notice will be given when you or your covered dependent becomes entitled to continue coverage under This Plan. You or your covered dependent will then have 60 days to elect to continue coverage. If you or your covered dependent do not notify your Employer within the 60-day election period, you will lose the option to elect continuation coverage.

Each person who is eligible for COBRA coverage is entitled to make a separate election of COBRA coverage. Thus, a covered spouse (as defined by federal law) or dependent child (or parent on their behalf) is entitled to elect COBRA coverage even if the covered Employee does not make that election. However, covered Employees may elect COBRA coverage on behalf of their covered dependents. Any person who elects to continue coverage under This Plan must pay the full cost of that coverage (including both the share you now pay and the share your Employer now pays), plus any additional amounts permitted by law. Your payments for continued coverage must be made on the first day of each month in advance.

If you do not elect COBRA coverage, your dental coverage will end. However, if you initially waive COBRA continuation coverage before the end of the 60-day election period, you may change your election by sending the completed election form to the Plan Administrator and postmarking it no later than the last day of the 60-day election period.

**Qualifying Event Due To Bankruptcy Of Employer**

Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to the Employer, and that bankruptcy results in the loss of coverage of any retired employee covered under This Plan, the retired employee will become a qualified beneficiary with respect to the bankruptcy. The retired employee's covered spouse and covered dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under This Plan.

**If You Elect Cobra**

If you choose COBRA coverage and pay the required premiums, you are entitled to coverage which, as of the time coverage is being provided, is identical to the coverage provided by the Employer to similarly situated active Employees, spouses or dependent children. This means that if the coverage for similarly situated Employees, spouses or dependent children changes, coverage will change for those who elected COBRA coverage.

**Duration Of Cobra Coverage**

The law requires that you be given the opportunity to maintain COBRA coverage for 36 months from the date coverage ends as a result of the qualifying event unless you lost coverage because of the covered Employee's termination of employment or reduction in hours. In that case, the required COBRA coverage period is 18 months from the date you lose coverage as a result of the termination of employment or reduction in hours. However, the 18-month coverage period may be extended under the following circumstances:

**Disability.** If any person entitled to COBRA coverage (the covered Employee, covered spouse or covered dependent child) is determined by the Social Security Administration to have been disabled at any time during the first 60 days of COBRA coverage period and the disability lasts at least until the end of the 18 month period of continuation coverage, then all such persons entitled to elect COBRA coverage may be able to continue coverage for up to 29 months, rather than 18 months.
In order to be eligible for the additional 11 months of COBRA coverage, the covered Employee, covered spouse or covered dependent child must notify the Employer's COBRA Administrator within 60 days of the latest of: (1) the Social Security Administration’s determination of disability; (2) the date of the qualifying event; (3) the date on which the covered Employee’s coverage initially was or will be lost; or (4) the date a person entitled to COBRA coverage is informed of this obligation by being provided the initial COBRA notice for the applicable group health plan. Written notice to the COBRA Administrator must be received before the end of the initial 18-month coverage period. A copy of the Social Security Administration’s determination must be provided to the COBRA Administrator. **If these procedures are not followed, there will be no disability extension of COBRA.**

During the additional 11 months of coverage, your cost for that coverage will be approximately 50% higher than it was during the preceding 18 months.

The additional 11 months of coverage provided on account of a disability will end as of the earlier of:

- The first day of the month beginning more than 30 days after a final determination by the Social Security Administration that the disability no longer exists; or
- The last day of the 29th month of total coverage.

A person entitled to COBRA coverage must notify the Employer’s COBRA Administrator within 30 days if the Social Security Administration determines that the disabled person is no longer disabled. This Plan reserves the right to retroactively cancel COBRA coverage, and will require reimbursement of all benefits paid for claims incurred after coverage terminates.

**Subsequent Qualifying Events.** If, during the 18-month period of COBRA coverage (or within the 29-month maximum coverage period in the case of a disability extension), the covered Employee and the spouse divorce, the covered Employee dies, the covered Employee becomes entitled to Medicare, or a dependent ceases to be an eligible dependent under the terms of This Plan, then the covered spouse and/or covered dependent child(ren) (as applicable) may be able to extend COBRA coverage for up to 36 months from the date of the termination of employment or reduction in hours.

A person entitled to COBRA coverage must notify the Employer’s COBRA Administrator of the subsequent event no later than 60 days after its occurrence. If such notification is not given, the covered spouse and/or covered dependent child will not be entitled to the additional COBRA coverage.

**Premiums For Cobra Coverage**

A person entitled to COBRA coverage is entirely responsible for paying the premiums for COBRA coverage. The required payment for each continuation coverage period for each option will be described in the notice that is sent when an individual experiences a qualifying event.

**Initial Premium Payment**

If continuation of coverage is elected, payment for continuation coverage must be made no later than 45 days after the date of such election. (This is the date the election notice is post-marked, if mailed.) If the first payment for continuation coverage is not made in full by the 45th day after the date of election, continuation coverage under This Plan will end. A person entitled to COBRA coverage is responsible for making sure that the amount of the first payment is correct.

After the first payment for continuation coverage, the amount due for each coverage period for each qualified beneficiary will be provided when coverage is elected.

**STATEMENT OF ERISA RIGHTS**

The following statement is required by federal law and regulation.

As a participant in the Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all participants shall be entitled to:
Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan administrator's office and at other specified locations, all Plan documents governing the Plan, including insurance contracts and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefit Security Administration.

Obtain, upon written request to the Plan administrator, copies of documents governing the operation of the Plan, including insurance contracts and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Continue Group Dental Plan Insurance

Continue dental insurance for yourself, spouse or dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review this summary plan description and the documents governing the Plan on the rules governing your COBRA continuation coverage rights.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit Plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries.

No one, including your employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan administrator to provide the materials and pay you up to $110.00 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court.

In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal court.

If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court.

The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees.

If you lose, the court may order you to pay these costs and fees; for example, if it finds your claim is frivolous.
Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

The Plan Administrator shall also document the facts of the violation, actions that have been taken to discipline the offending party and the steps taken to prevent future violations.

Certify to the Plan, prior to the Plan permitting disclosure of PHI to the Plan Sponsor, that the Plan Documents have been amended to incorporate the provisions in this Section III.
IV. Participants Rights

The Plan Administrator shall have full discretion in resolving the complaint and making any required interpretations and factual determinations. The decision of the Plan Administrator shall be final and be given full deference by all parties.

VI. Security

As a condition of the Plan Sponsor receiving electronic PHI ("ePHI") from the Plan, the Plan Documents are hereby amended to incorporate the following provisions, under which the Plan Sponsor agrees to:

- Implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of the ePHI that it creates, receives, maintains, or transmits on behalf of the Plan;

- Ensure that the adequate separation between the Plan and the Plan Sponsor, which is required by the applicable section(s) of the Plan relating to the sharing of PHI with the Plan Sponsor, is supported by reasonable and appropriate security measures;

- Ensure that any agent, including a subcontractor, to whom it provides ePHI agrees to implement reasonable and appropriate security measures to protect the information; and

- Report to the Plan any security incident of which it becomes aware. In this context, the term "security incident" means the attempted or successful unauthorized access, use, disclosure, modification, or destruction of information or interference with system operations in information systems such as hardware, software, information, data, applications, communications, and people.

The Board of Directors of Trustees of Princeton University shall be empowered to amend or terminate the Plan or any benefit under the Plan at any time.
Uniformed Services Employment And Reemployment Rights Act

This section describes the right that you may have to continue coverage for yourself and your covered dependents under the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA).

Continuation of Group Dental Insurance:

If you take a leave from employment for “service in the uniformed services,” as that term is defined in USERRA, and as a consequence your dental insurance coverage under your employer’s group dental insurance policy ends, you may elect to continue dental insurance for yourself and your covered dependents, for a limited period of time, as described below.

The law requires that your employer notify you of your rights, benefits and obligations under USERRA including instructions on how to elect to continue insurance, the amount and procedure for payment of premium. If permitted by USERRA, your employer may require that you elect to continue coverage within a period of time specified by your employer.

You may be responsible for payment of the required premium to continue insurance. If your leave from employment for service in the uniformed services lasts less than 31 days, your required premium will be no more than the amount you were required to pay for dental insurance before the leave began; for a leave lasting 31 or more days, you may be required to pay up to 102% of the total dental insurance premium, including any amount that your employer was paying before the leave began.

Your and your covered dependents’ insurance that is continued pursuant to USERRA will end on the earliest of the following:

- the end of 24 consecutive months from the date your leave from employment for service in the uniformed services begins; or
- the day after the date on which you fail to apply for, or return to employment, in accordance with USERRA.

You and your covered dependent may become entitled to continuation of coverage under the Consolidated Omnibus Budget Reconciliation Act (“COBRA”) while you have dental insurance coverage under your employer’s group dental insurance policy pursuant to USERRA. Contact your employer for more information.
