MECHANICAL AND INDUSTRIAL ENGINEERING
DEPARTMENT
TENURE-TRACK FACULTY POSITION
Penn State Erie, The Behrend College
School of Engineering
Erie, Pennsylvania 16563-1701

Mechanical Engineering Faculty Position: Penn State Erie, The Behrend College, invites applicants for a Mechanical Engineering tenure track faculty position starting Fall 2015 at the rank of Assistant Professor. Exceptionally qualified candidates may be considered for higher rank. Candidates should be committed to a balance between excellence in undergraduate education and an active research program. Candidates will be expected to teach undergraduate courses in one or more of the following areas: system dynamics and controls, measurements and instrumentation, manufacturing, and biomechanics. Preference will be given to candidates with research expertise in one or more of these areas: mechatronics, manufacturing systems (emphasis on additive manufacturing), and biomechanics/biomanufacturing. A Ph.D. in Mechanical Engineering, or a closely related field, is required.
