Assistant Professor (2 positions)
Mechanical Engineering Department
South Dakota State University

Assistant Professor: Two Positions (9-month, tenure-track, start date Aug. 22, 2015). Department of Mechanical Engineering, South Dakota State University. Teach courses and conduct research in one of the following general fields: (1) machine design/solid mechanics, (2) dynamic systems/controls/robotics; advise undergrad and graduate students; participate in service activities. Earned Ph.D. in Mechanical Engineering or closely related field preferably from a school with an ABET accredited program in Mechanical Engineering.

For a full list of qualifications and application process, visit https://yourfuture.sdbor.edu. Direct link to position announcement: https://yourfuture.sdbor.edu/applicants/jsp/shared/frameset/Frameset.jsp?time=1413831500107

Position is open until filled, with full consideration given to applications received by January 1, 2015.

University/Community: South Dakota State University is a land grant institution and the state's largest institution of higher education with an enrollment of approximately 12,500 students. SDSU began offering the course of study leading to a BSME degree in 1884. The Mechanical Engineering Department offers an ABET-accredited program with a historic focus on quality undergraduate engineering education. There are approximately 400 undergraduates and 30 graduate students (M.S.) currently enrolled in the program.

SDSU is located in Brookings, South Dakota, a community of approximately 22,100 near the east central border of South Dakota on Interstate 29. The city has an excellent K-12 education system, is accessible to major medical facilities, has an active cultural and social environment, and has numerous lakes and parks within driving distance. It is 50 miles north of Sioux Falls, a city with a population of approximately 150,000.

For information on the position, please contact Dr. Zhong Hu, Search Committee Chair, at Zhong.Hu@sdstat.edu or by phone at (605) 688-5426. SDSU is an AA/EEO employer and actively seeks to increase social and intellectual diversity among its faculty. Women and persons underrepresented in higher education are especially encouraged to apply. ADA accommodations: (605) 688-4504 or email HR@sdstate.edu. For questions on the electronic employment process, contact SDSU Human Resources at (605) 688-4128.
