October 27, 2014

Dear Colleague:

The Department of Mechanical Engineering in the Bourns College of Engineering at the University of California, Riverside, in conjunction with the Department of Chemical and Environmental Engineering, and the Materials Science and Engineering Program, is pleased to announce the availability of two faculty positions (open-rank) beginning the 2015/16 academic year. **We are seeking exceptional candidates in all areas of mechanical engineering, with preference given to those with interdisciplinary expertise in:**

1) **Materials characterization in the thermal and electrical domains; or**
2) **Systems Engineering/Advanced Manufacturing.**

Successful candidates will be formally affiliated with the Department of Mechanical Engineering, as well as the Materials Science and Engineering Program (first position), the Department of Chemical and Environmental Engineering (second position), and/or other departments within the college as appropriate. It would be very much appreciated if you could inform your colleagues of these opportunities.

Applications may be submitted online at: [http://www.engr.ucr.edu/facultysearch/](http://www.engr.ucr.edu/facultysearch/)

Further information regarding these positions can be found at:
[http://www.me.ucr.edu/employment/](http://www.me.ucr.edu/employment/)

Further information regarding current research activities in ME, CEE, and MSE can be found at the following sites:
[http://www.me.ucr.edu/](http://www.me.ucr.edu/)
[http://www.cee.ucr.edu/research/](http://www.cee.ucr.edu/research/)
