4 New South Building
P.O. Box 36
Princeton, NJ 08544-0036

CERTIFICATION

Investigator (PI): _____

Proposal Title: _____

Agency: _____

Proposal Number: _____

As a principal or co-principal investigator on the above referenced proposal, I certify that:

1. I am not debarred, suspended, or proposed for debarment or suspension by any agency of the U.S. Government.

2. The information submitted within the application is true, complete, and accurate to the best of my knowledge.

3. I understand I may be subject to criminal, civil, or administrative penalties for any false, fictitious, or fraudulent statements or claims.

4. I agree to accept responsibility for the scientific conduct and financial oversight of the project and to provide the required progress reports if a grant is awarded as a result of the application.

5. If awarded, this proposal presents a change in my financial situation or that of my spouse/partner, or other members of my immediate family, such that I would need to revise my annual conflict of interest statement - on file with the Dean of Faculty's Office and ORPA - to report a significant financial interest related to this proposal:

   Yes ○ No ○

   If yes, I will provide an explanation by completing the relevant section(s) of the Conflict of Interest in Research disclosure form which can be found at the following URL:
   http://www.princeton.edu/orpa/compliance/forms/Parts_FGH_FacultyDisclosureForm.doc

6. For NIH proposals: I understand that if this proposal is awarded, I am responsible for the submittal of all peer reviewed manuscripts to NIH's PubMed Central within 12 months of publication

7. Responsible Conduct of Research for NSF research proposals submitted on or after January 4, 2010 requirement:
   I understand that if awarded, all students and post-doctoral researchers receiving support must receive or have received instruction in responsible conduct of research.
   NSF Proposal and Award Policies and Procedures Guide
   University Policy Announcement

8. Responsible Conduct of Research for NIH new and renewal applications submitted on or after January 25, 2010 for training, career development (individual or institutional), research education, and dissertation research and for continuation applications with deadlines on or after January 1, 2011 requirement:
   I understand that if awarded, all trainees, fellows, participants, and scholars receiving support must receive instruction in responsible conduct of research.
   NIH notice number NOT-OD-10-019
   University Policy Announcement
