To the President & Chief Fiscal Officer:

On the basis of information furnished to this office, your organization has been deemed exempt from the registration, filing, and certain other record-keeping provisions of the Charitable Registration & Investigation Act effective 1994 (N.J.S.A. 45:17A-18 et seq.) for the following reason(s):

26(b) Educational Institution

It is important to note that a determination of exemption applies only to the provisions indicated, and may be rescinded should information to the contrary come to our attention.

All other provisions of the CRI Act apply to exempt organizations. For example, it is unlawful for an exempt organization to enter into any contract with a fund raiser that is required to have registered with the State of New Jersey and failed to do so. Likewise, in the case of charitable sales promotions, it is the responsibility of the charity to file with this office a copy of the contract with the commercial co-venturer and to report the results of the venture.

Should any other changes occur in your organization that may possibly effect this determination, the organization is required to notify this Division within ten (10) business days after the changes have become final. Please note that this determination does not imply endorsement of the organization or its stated purposes by the State of New Jersey.

Thank you for your patience and cooperation.

Sincerely,

Morgan C Faulkner
