**2009-10 FAFSA Rejected –  
Additional Information Needed**

Your Free Application for Federal Student Aid (FAFSA) has been rejected because you either left question 23 blank or indicated you have a drug-related conviction. You should have received a [worksheet](#) directly from the Department of Education. If you have not already done so, please follow the instructions on the worksheet and either submit the corrected Student Aid Report (SAR) to the Department of Education or contact us directly.

This should be taken care of within the next two weeks. If you anticipate problems meeting this deadline, please let us know.

Sincerely,

A handwritten signature in black ink that reads "Robin Moscato".
