2009-10 Financial Aid
Conditional Award Notice

Although we had a copy of your father's 2008 federal income tax return at the time we reviewed your 2009-10 financial aid application, copies of your father's W-2 statements were not included. We need the 2008 W-2 statements within the next two weeks to complete our final review of your award.

If you anticipate problems with this deadline, please let us know.

Sincerely,

A handwritten signature in black ink that reads "Robin Moscato".
