This form should be completed by the non-custodial parent of the student listed below as part of the Princeton financial aid application. It is Princeton's policy to require both parents to contribute to college costs to the extent they are able. Determination of need for financial aid will be based on an evaluation of information from both parents.

A signed copy of the non-custodial parent's 2011 federal income tax return, along with W-2 statements, is also required. It may accompany this form or be submitted separately as soon as it is available.
