FINANCIAL AID AWARD ACCEPTANCE AND LIMITED POWER OF ATTORNEY

I have received my financial aid award for the 2009-10 academic year and the information pamphlet which accompanied my aid award. I understand its terms and my responsibilities.

All of the information on the application forms is true and complete to the best of my knowledge. If I am asked, I agree to give proof that this information is correct. This proof might include a copy of the 2008 federal income tax return filed by me or my family as well as verification of the number of people in my family or the college enrollment of my siblings.

Any grants or loans shown in my award letter, or any amended amounts I am notified of in a revised award, will be credited to my student account at the Treasurer's Office in equal semester installments. Federal student aid awards (Supplemental Educational Opportunity Grants, Perkins and Stafford Loans, and Pell grants) will be disbursed directly to tuition, room, and board charges when funds are made available under program regulations.

If a campus job is, or becomes, part of my award, I understand that I may be paid through the Federal Work-Study Program. I accept employment under this program, along with the established pay rates and position descriptions as outlined in the *Student Employment Information* brochure (available from this office).

I appoint the Treasurer of Princeton University my legal attorney for the sole purpose of endorsing any checks from a scholarship donor made payable to me which represent proceeds of grants or scholarships for my educational expenses at Princeton University and to deposit them as a credit to my student account.

By signing below I acknowledge I understand the terms of this Award Acceptance and Limited Power of Attorney.
