Independent Work

Senior thesis or junior paper in the student's home department related to Eastern Europe. Students should consult with the director of the Program in Russian, East European, and Eurasian Studies for approval of their independent work plans.
Language Requirements for the EECS track

Expertise in a core language of Eastern Europe is central to the program. The language component of the track requires one year of any language of the region. Applicable languages include Czech, Polish, Romanian, Bulgarian, and Bosnian-Croatian-Serbian Native speakers and students with previous training in any of the languages of Eurasia can fulfill the language requirement by demonstrating intermediate proficiency on a placement examination.
