## Tentative Travel List -- Under Development

- An itinerary, identification and contact information pasted into every suitcase.
- Business cards for every one I travel with – name and reason for being in China. Also, itineraries with hotel address
  - Split up the new, clean money so no one is holding all of it.
- A thermos big enough to carry hot water in, so as to make warm bottles through out the day.
- A knife so I can cut table food smaller for my daughter.
- A plastic bin for dish washing.

Bring office supplies such as white-out, paper clips,

### Buy packmates

Good Afternoon! It is Teresa, your Packmate Reporter (how did I get this job?).

Pam from Packmates called to tell me that:

Due to the overwhelmingly positive response to the Medium Packmate deal (15 for \$25.05), and thanks to APC'ers Sharon Wilson and Julie ? asking for it, they are now offering us a special deal on the LARGE packmates.

Here's the scoop:

10 bags minimum for \$35.60 (I guess \$3.56 per bag, although I'm no mathematician).

Free shipping

"This Year's Model"

To order, call Pam or Linda for the "Adoption Special" at PHONE:  
1-800-432-7517.

Or they said you could fax your order to them at: FAX: 707-864-3099  
and  
remember to include:

Your Name

Address - for mailing and credit card verification

Phone number - if they have to call you

Remember, if you want more details or have any questions about  
Packmates, please  
go to:

or go to their website:

Don't forget to send to Pam or Linda at Packmates a picture of your new child when you get home for their bulletin board!

Also, she said we were the "Nicest group of people!" Yes, well we knew that!  
:)

Hope that helps!

Teresa, who gets nothing, except a warm feeling all over, for sharing these great deals
