Moving out?

...We're sorry to see you go, but here is some helpful information about Butler checkout procedures:

- Be sure to clean out your oven, refrigerator, and the rest of your apartment before you leave to make sure that you get your whole security deposit back.

- Remove all personal belongings and trash from your apartment.

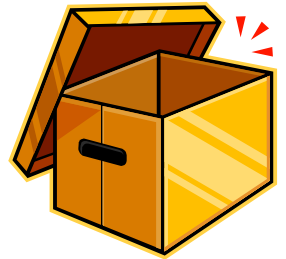

- Close and lock all windows and doors.

- Be sure to return your key or you will be billed.

- Remember to disconnect your phone line before leaving. This will save the new residents from a lot of hassle.

- Remember to fill out a Notice of Intent to Vacate Form from the housing office - whether you are leaving early or leaving at the end of your lease, this form must be filled out at least 30 days before you intend to move.

- Don't forget to file a change-of-address form at the Post Office!

Storage Sheds @ Butler

The aim of the storage sheds, placed at the rear of every Butler unit, is to de-clutter the Butler Community. Here are some guidelines:

- * If you would like to lock your shed, feel free to buy and use a padlock.
- * Use your shed to store toys, lawn furniture, garden tools etc.
- * Do not use the shed to store flammables/ combustibles like propane or BBQ cylinders, solvents, tires, lumber, newspapers or other hazardous materials.

Sheds must remain in the location where they were installed. Please do not remove or relocate the sheds!

Questions? Contact the University's Customer Service Center at 609-258-8000 or service@princeton.edu.

We have had a few issues with outdoor cats in Butler - for your pet's safety, it is very important that you remember to keep a collar on your cat or dog containing up-to-date contact information!

As another safety measure, Butler now has an online pet registry. If you would like, please register your cats or dogs at www.princeton.edu/~butlerap/pets.

We have a **Butler Pet-sitting Co-Op** - all are welcome to join. If you would like to participate, contact **John Crever** at johncie@juno.com. Please provide John with your name, residence address, phone number and email address. To request a pet-sitter, email John and the list of pet-sitters will be contacted.
