Donation Card

The *Friends of Tiger Band Operating Fund* raises approximately \$15,000 each year to pay for a variety of Band expenditures such as: uniforms, Band Van repair/maintenance, new instruments, and extra buses for away-game road trips. The Operating Fund represents the Band's primary financial resource for day-to-day operations.

The *Princeton University Band Endowment* supplements the annual budget for the PUB. Money earmarked for the Endowment may not be used to pay for current expenses; rather, these funds are invested by the University and earn interest in perpetuity. This interest is paid to FOTB annually and is used to augment the Operating Fund.
