Italics = estimated stop time (not an official time point). <sup>W</sup> = WWS; <sup>F</sup> = Fisher.

This guide focuses on **point-to-point** travel times between Lawrence and campus, so main campus stops are **not** necessarily shown in chronological order (e.g., for CC Blue line to campus or CC Red line to Lawrence).

For travel to/from the Prospect/Washington area, listed times are for the more efficient stop (**WWS** or **Fisher**).

On the CC Red line, heading home from Woodrow Wilson (instead of Friend Center) saves 20+ minutes.
