

About John Schroeder

The John Thomas Schroeder Foundation was established shortly after the tragedies of 9-11. The Foundation awards merit based college scholarships in John's memory. The golf outing is an important fundraiser for the Foundation and 100% of the golf proceeds go toward funding the scholarships and charitable gifts.

John Schroeder was born and raised in Commack, Long Island. John was an exceptional student athlete and excelled at lacrosse and football at St. Anthony's High School. During college John helped Princeton University win its first NCAA National Lacrosse Championship in 1992. John was an accomplished athlete who continued to play lacrosse, rugby, and touch football throughout his adult life. More importantly, the consensus from his family and friends was that he was the nicest, most generous and funniest guy you could meet.

John, 31, was a stock trader with Fred Alger Management, and was reportedly at a breakfast meeting with members of his firm in Windows on the World restaurant atop the World Trade Center when the first hijacked plane struck. He had been with Fred Alger since July of that same year.

We hope to see everyone on October 20th. Please call or e-mail us if you have any questions or suggestions. Please forward this message to anyone who you think would be interested in participating in the golf outing or making a donation.

Thank you for your support.

The JTS Foundation Golf Committee
