<b>CHAPTER 1. Summary and Policy Options</b> .....	1
INTRODUCTION .....	1
EMS IN A RURAL CONTEXT .....	2
Cardiac Care .....	3
Trauma Care .....	4
OPTIONS FOR FEDERAL POLICY .....	5
Federal Initiatives in EMS Training .....	6
Federal Guidelines or Standards .....	7
Federal EMS Technical Assistance .....	8
Federally Sponsored EMS Research and Demonstration Programs .....	9
Federal Incentives for Planning and EMS Systems Development .....	9
<b>CHAPTER 2. Definition of Terms</b> .....	13
EMERGENCY MEDICAL SERVICES .....	13
Public Access .....	13
Prehospital Response .....	13
Medical Response .....	14
RURAL AREAS .....	14
<b>CHAPTER 3. The Demand for EMS Services in Rural Areas</b> .....	17
INTRODUCTION .....	17
URBAN AND RURAL DIFFERENCES IN DEMAND FOR EMS SERVICES .....	17
Injury .....	18
<b>CHAPTER 4. EMS in a Rural Context</b> .....	25
THE CHANGING RURAL HEALTH CARE ENVIRONMENT .....	25
RURAL HEALTH CARE SYSTEMS .....	25
Public Access to EMS Systems .....	25
Prehospital Care .....	28
Transportation .....	34
Medical Control .....	37
Medical Response .....	39
Regionalization .....	40
<b>CHAPTER 5. Emergency Cardiac and Trauma Care in Rural Areas</b> .....	43
CARDIAC CARE .....	43
TRAUMA CARE.....	45
Prevention Education .....	46
Prehospital Care .....	46
Hospital-Based Trauma Care .....	47
Regionalization of Trauma Care .....	48
<b>CHAPTER 6. Federal Policies Toward State Emergency Medical Services</b> .....	53
DEPARTMENT OF HEALTH AND HUMAN SERVICES .....	53
DEPARTMENT OF TRANSPORTATION .....	56
Section 402 Funds for State Highway Safety Plans .....	59
Section 403 Highway Safety Research and Demonstration Funds .....	60
DHHS AND DOT ALLOWABLE EMS EXPENDITURES .....	60
CONCLUSIONS .....	60
Appendix A. Rural EMS Workshop Participant) .....	63
Appendix B. Designing an Appropriate EMS System in Rural Areas: Use of a Computer Simulation Model .....	64
Appendix C. Trauma Service Designation Guidelines of the American College of Surgeons and the American College of Emerging Physicians .....	67
Appendix D. Oregon Trauma Systems Summary and Hospital Resource Criteria .....	79
Appendix E. Trauma Care/EMS Legislation Introduced During the 101st Congressional Session .....	89
References .....	93

## *Boxes*

<i>Box</i>	<i>Page</i>
4-A. Rural EMS Communications: Problems and Potential Solutions as Presented at the “National Rural EMS Needs Workshop,” March 1989 .....	28
4-B. Prehospital Providers .....	30
4-C. EMS Prehospital Personnel: Problems and Potential Solutions as Presented at the “National Rural EMS Needs Workshop,” March 1989 .....	35

## *Figures*

<i>Figure</i>	<i>Page</i>
3-1. Death Rates From Unintentional Injury, Suicide, and Homicide by Place of Residence, 1977 -79..	21
3-2. Motor Vehicle Related Death Rates .....	22
3-3. Population Density .....	22
3-4. Death Rates From Motor Vehicle Crashes by Place of Residence, 1977-79 .....	23
4-1. A Nodal Concept of EMS for Rural Northeast Missouri .....	36
4-2. Estimated U.S. Air Ambulance Distribution, 1988 .. ... ..,.,. ....	38
4-3. U.S. Helicopter Medevac Programs .....	39
5-1. States Having All, None, or Some of Eight Essential Components of a Regional Trauma System According to American College of Surgeons’ Criteria. 1987 .....	49
5-2. State Trauma Center Designation and Verification Practices, 1986-87 .....	50
6-1. State EMS Program Funding. 1988 .....	53
6-~. State and Community Highway Safety Program Obligations (DOT Section 402) Fiscal Year 1987—\$111,539,200 .....	61

## *Tables*

<i>Table</i>	<i>Page</i>
3-1. Prevalence of Injuries and Illness Among Patients Transported by Ambulance in Texas, 1988 . . . .	18
3-2. Prevalence of Injury and illness Among Calls for EMS Services in South Carolina, 1988 .....	19
3-3. Number of Episodes of Persons Injured and Number of Associated Restricted-Activity Days and Bed Days by Whether in Moving Motor Vehicle, Whether at Work, Place of Accident, and Place of Residence: United States, 1987 .....	20
3-4. Average Annual Number of Injuries Per 100 Persons Per Year, by Place of Residence and Type of Injury: United States, 1980-81 .....	21
3-5. Death and Disabling Injury Rates Among Workers by Industry, 1988 .....	22
3-6. Passenger Car Occupant Injury by Land Use and Speed Limit, <b>1986</b> .....	24
3-7. Metropolitan (MSA) and Non-Metropolitan (Non-MSA) Motor Vehicle Fatality Rates-1986, and Impact of 30 Percent Reduction in Non-MSA Deaths on Achieving the National 1990 Objective for Injury Prevention .....	24
4-1. State EMS Communications, 1986-87 .....	27
4-~. Currency Certified Prehospital providers by State, 1986-87 .....	32
4-3. Ratios of Helicopters to Population by State, 1988, .....	37
4-4. Percent of Community Hospitals With EMS-Related Services in Metropolitan and Nonmetropolitan Hospitals by Bed Size, 1987 .....	41
5-1. Deaths Attributed to Cardiovascular Disease by MSA/non-MSA Residence, 1986 .....	44
5-2. Percent of Persons 18 Years of Age and Over Who Wore Seatbelts All or Most of the Time When Riding in a Car by Sex, Age, and Residence: United States, 1985 .....	47
5-3. Percent of Persons 18 Years and Over Who Had Driven a Car At Least Once in the Past Year When They Thought They Might Have Had Too Much To Drink By Sex, Age, and Residence: United States, 1985 .....	47
6-1. State Expenditures for Emergency Medical Services, By Source of Funds, FY 1988 .....	54
6-~. Distribution of preventive Health and Health Services Block Grant Expenditures of State Health Agencies to Former Categorical Grant Areas, Fiscal Year 1988 .....	57
6-3. Preventive Health and Health Services Block Grant Expenditures: Emergency Medical Services, Fiscal Years 1982-1988 .....	59
6-4. National Highway Traffic Safety Administration’s State and Community Highway Safety Program (Section 402) Funding: Emergency Medical Services, Fiscal Years 1967-87 .....	59
6-5. National Highway Traffic Safety Administration’s Research and Demonstration Program (Section 403) Funding: Emergency Medical Services, Fiscal Years 1981-88 .....	61
