

Contract Papers

CONTEXT OF U.S. AQUACULTURE

International Seafood Trade and the U.S. Aquaculture Industry

Raymond Rhodes (South Carolina Wildlife and Marine Resources, SC)

Aquaculture--International Examples of Success and Failure and Lessons for the United States

Andrea Katz (Associates in Rural Development, Inc., VT)

Market Constraints to Growth in the U.S. Aquaculture Industry

Upton Hatch (Auburn University, AL)

Aquacultural Contributions to Community Development in the United States

Michael Skladany and Conner Bailey (Auburn University, AL)

TECHNOLOGIES, PRODUCTS, AND APPLICATIONS

The Aquaculture of Endangered and Threatened Species and Restoration of Aquatic Systems

Jack Rudloe, Jeret Madei, and Anne Rudloe (Gulf Specimen Marine Lab, Panama, FL)

Offshore Aquaculture--Technology and Policy Issues

Robert Stickney (University of Washington, WA)

Policy Issues for Aquaculture in Federal Waters

Alison L. Hess (Office of Technology Assessment, DC)

The Future of Recirculating Systems in the U.S. Aquaculture Industry

Ronald Malone (Louisiana State University, LA)

Benefits, Environmental Risks, Social Concerns, and Policy Implications of Biotechnology in Aquaculture

Anne Kapuscinski (University of Minnesota, MN)

Eric Hallerman (Virginia Polytechnic Institute and State University, VA)

Sustainable Aquaculture Systems

David Brune (Clemson University of South Carolina, SC)

INDUSTRY DEVELOPMENT AND REGULATION

Improving the Competitiveness of U.S. Aquaculture

Per O. Heggelund (AquaSeed, WA)

Successes and Failures in Aquaculture

Rollin Johnson (Harvard University, MA)

Health and Disease Management in Aquaculture: Science, Technology, and the Federal Role

Fred Meyer (La Crescent, MN)

Bird and Mammal Predation in Aquaculture

James Parkhurst (Virginia Polytechnic Institute and State University, VA)

Environmental Aspects of Commerical Aquaculture

Thomas Hopkins (Biometrics, Inc., MD)

GOVERNMENT POLICY AND PROGRAMS

Potential Sources of Federal Assistance for Aquaculture

Thomas Royal (St. George Island, FL)

U.S. Aquaculture Marketing

Howard Johnson (Johnson and Assoc., Bellevue, WA)

WORKSHOPS

The Future of Aquaculture in the United States--September, 1993

Offshore Aquacultural Development in the United States--November, 1993
