

Appendix H

Acknowledgments

OTA would like to thank the members of the advisory panel who commented on drafts of this report and the many individuals and organizations that supplied information for the study. In addition, OTA acknowledges the following individuals who reviewed drafts of this report:

Ronald T. Acton
University of Alabama
Birmingham, AL

Lori B. Andrews
American Bar Foundation
Chicago, IL

George W. Anstadt
Eastman Kodak Co.
Rochester, NY

Stylianos E. Antonarakis
Johns Hopkins University Hospital
Baltimore, MD

Bonnie Batay
University of Utah Medical Center
Salt Lake City, UT

Edward Bernacki
Tenneco, Inc.
Houston, TX

Paul R. Billings
Pacific Presbyterian Medical Center
San Francisco, CA

Robert H. Blank
Northern Illinois University
DeKalb, IL

Joseph F. Borzelleca
Medical College of Virginia
Richmond, VA

R. Alta Charo
University of Wisconsin
Madison, WI

Carl Cohen
University of Michigan
Ann Arbor, MI

Philip Cohen
Huntington's Disease Society
of America
New York NY

Robert Cook-Deegan
Derwood, MD

Elaine Alma Draper
University of Southern California
Los Angeles, CA

H. Tristram Engelhardt
Baylor College of Medicine
Houston, TX

John C. Erfurt
University of Michigan
Ann Arbor, MI

John P. Fanning
U.S. Department of Health and
Human Services
Washington, DC

Robert I. Field
Dilworth, Paxson, Kalish & Kauffman
Philadelphia, PA

Nancy L. Fisher
Swedish Hospital Medical Center
Seattle, WA

Barry Furrow
Widener University School of Law
Wilmington, DE

Glenn C. Graber
University of Tennessee
Knoxville, TN

Ian A. Greaves
University of Minnesota
Minneapolis, MN

Tee L. Guidotti
University of Alberta
Alberta, Canada

Annabelle Harris
International Paper Co.
Purchase, NY

Barbara K. Hecht
Hecht Associates
Jacksonville, FL

Frederick Hecht
Hecht Associates
Jacksonville, FL

Max A. Heirich
University of Michigan
Ann Arbor, MI

George R. Hoffman
Holy Cross College
Worcester, MA

Barbara S. Hulka
University of North Carolina
Chapel Hill, NC

Eric T. Juengst
National Center for Human Genome
Research
Bethesda, MD

Mary Kennard
University of Rhode Island
Kingston, RI

Philip Landrigan
Mt. Sinai Medical Center
New York NY

Timothy D. Leathers
U.S. Department of Agriculture
Peoria, IL

Abby Lippman
McGill University
Montreal, Canada

Karen Messing
University of Quebec-Montreal
Montreal, Canada

Daryl Ann Miller
Howard University
Washington, DC

Aubrey Milunsky
Boston University School of Medicine
Boston, MA

Joseph Misbrenner
Oil, Chemical & Atomic Workers
Union
Denver, CO

C. Hunter Montgomery
Exxon Co., USA
Houston, TX

John C. Moskop
East Carolina University
Greenville, NC

Arno G. Motulsky
University of Washington
Seattle, WA

Dorothy Nelkin
New York University
New York NY

Nanette Newell
The Synertech Group, Inc.
Research Triangle Park, NC

Gilbert S. Omenn
University of Washington
Seattle, WA

Christopher Pyle
Mount Holyoke College
South Hadley, MA
