

III. CENTER FOR DISEASE CONTROL

Legal citation	Type of authority	Legislative text
A. Center for Disease Control—Generally		
a) Public Health Service Act • P.L. 78-410§307 formerly 308, as added by P.L. 86-610 §3 (1960) renumbered and amended • 42 USC §242/	General	(a) “For the purpose of advancing the status of the health sciences in the United States (and thereby the health of the American people), the Secretary may participate with other countries in cooperative endeavors in biomedical research and the health services research and statistical activities authorized by sections 242b, 242c, and 242k of this title. ”
b) Public Health Service Act • P.L. 78-410§314 as added by P.L. 94-63§102 (1975) and amended • 42 USC §246	Specific	(d)(l) . . . “The Secretary shall make grants to State health authorities . . . to assist in meeting the costs of providing comprehensive public health services. (2) No grant may be made under paragraph (1) to the State health authority of any State unless an application therefor has been submitted to and approved by the Secretary. Such an application shall be submitted in such form and manner and shall contain such information as the Secretary may require, and shall contain or be supported by assurances satisfactory to the Secretary that— (A) the comprehensive public health services which will be provided within the State with funds under a grant under paragraph (1) will be provided in accordance with the State health plan in effect under section 1524(c); . . . (ii) from time to time as prescribed by the Secretary, report to the Secretary (through a uniform national reporting system and by such categories as the Secretary may prescribe) a description of the comprehensive public health services provided in the State in the fiscal year for which the grant applied for is made and the amount and source of funds expended in that fiscal year and in the preceding fiscal year for the provision of each such category of services; and (iii) make such other reports (in such form and containing such information as the Secretary may prescribe) as the Secretary may reasonably require, and keep such records and afford such access thereto as the Secretary may find necessary to assure the correctness of, and to verify, such reports; . . .
	Implied	(4)(A) . . . In determining the amount of a grant to a State health authority under subclause (l), the Secretary shall
