
Index

- Aamco Transmissions, 202
alcohols, 99, 269-270
American Motors (AMC), 107, 202
Arizona Public Service Co., 249
Arthur Anderson & Co., 199
asphalt, 78
automobile industry
 auto repair facilities (table), 201
 capital intensiveness of, 42, 48, 60
 conduct of manufacturers, 197-198
 economic impacts of change in, 195-203
 employment in, 220-223
 financing of capital programs in, 130-131
 links to foreign companies, 196-197
 location of parts-supplier plants (table), 224
 manufacturing structure of, 196-197
 occupational and regional issues in, 223-225
 problems of, 40-41
 prospects for, 202-203
 rate of change in, 133
 sales and service segment of, 200-202
 structural readjustments in, 7, 40
 suppliers for, 198-200
 vertical integration in, 133
- Booz-Allen & Hamilton, 199
Brayton engine, 144-145
Bureau of Labor Statistics, 220
Bureau of the Census, 220
- CAFE (see Corporate Average Fuel Efficiency)
Carter administration, 50
Chrysler Corp., 12, 53, 130, 196, 197, 198, 202, 221
coal
 acid drainage from mining, 251-252
 aquifer disruption from mining, 252
 direct liquefaction of, 163-165
 indirect liquefaction of, 161-163
 mining for synfuels, 204-205
 occupational hazards of mining, 252-253
 subsidence from mining, 252
Colony Oil Shale Project, 232
Colorado Department of Local Affairs, 232
Colorado River Basin Compact, 287
Colorado West Area Council of Governments, 228
Congress
 acts of (see legislation)
 Congressional Budget Office (CBO), 140
 Congressional Research Service (CRS), 63, 159
 policy options for (see policy options)
 proposals on environmental and safety regulation, 56
 Senate Committee on Commerce, Science, and Transportation, 31
 water resources and, 58
conservation, 83, 184, 188-198
Corporate Average Fuel Efficiency (CAFE), 3, 9, 13, 30, 31, 36, 41, 50, 55-56, 60, 61, 105, 106, 120
- Data Resources, Inc., 202
Delphi survey, 199
Department of Commerce, 223
Department of Energy (DOE), 4, 9, 10, 43, 44, 54, 57, 58, 96, 183, 253, 255, 262, 263
Department of Housing and Urban Development (HUD), 59, 62
Department of Labor, 222
Department of Transportation, 129, 135, 196, 199, 220, 221, 222, 223, 243
Department of the Treasury, 43
- Eaton Corp., 199
Economic Development Administration, 59
electricity, 186
electric vehicles, 3, 41, 71, 74, 219, 250
 battery-electric and hybrid, 117-120
 cost compared to synfuels (table), 77
 cost to consumers, 5, 141-142
 effects on fuel consumption, 128-129, 150, 153
 and electric utilities, 149-153, 245-246
 environmental effects of, 7, 24, 84, 85, 245-248
 impact on oil imports, 5
 occupational and public health risks of, 247-248
 prospects for, 24, 94-95
 resources requirements for, 246-247
 safety of, 24-25, 247
Energy information Administration (EIA), 22, 30, 37, 69, 73, 184, 185, 186, 189
Energy Mobilization Board, 57
Engineering Societies' Commission on Energy (ESCOE), 170
Environmental Protection Agency (EPA), 10, 41, 57, 58, 93, 96, 121, 124, 239, 254, 262, 263, 264, 270
environment, health, and safety, 58, 60, 84
 air quality, 244-245, 254-256
 coal liquefaction and, 253-261
 effects of auto fuel conservation on, 237-245
 effects of diesel fuel on, 84
 effects of energy alternatives on, 84-85
 effect of fuel efficiency on, 15
 effect of policy options on, 56-58
 electric vehicles and, 7, 24, 84, 85, 247-248
 emissions characteristics of alternative engines (table), 245
 future trends in auto safety, 240-242
 gaseous emissions and controls (table), 271
 gaseous streams, components, and controls (table), 274
 impacts of fuel efficiency and synfuels compared, 83-85
 liquid stream sources, components, and controls (table), 275
 liquid waste stream sources, components, and controls (table), 272
 small v. large cars, 7, 92-93, 237-242
 solid waste sources, components, and controls (table), 275
 solid waste stream sources, components, and controls (table), synfuels and, 7, 248-270
environment (see environment, health, and safety)
EPA (see Environmental Protection Agency)

- ESA (see legislation, Energy Security Act)
- ethanol, 179, 263-269
- EVs (see electric vehicles)
- Exxon, 30, 186, 208
