

YWCA Princeton's St. Nicholas Project

Donations from Princeton University employees
Organized by Latino Princetonians

December 11, 2018

- ❧ The St. Nicholas Project at the YWCA was founded in 2000 by Princeton resident Jill Jachera.
- ❧ The project invites individuals, families, businesses, and organizations to sponsor a family in need during the holidays.
- ❧ As we have been doing for many years now, Latino Princetonians answered the call and sponsored a family in need during the 2018 Holiday season.

- ❧ On December 11, 2018 gifts donated by the LP membership and Ivonne Díaz-Claissé from HISPA were delivered to the YWCA.
- ❧ Special thanks to LP members, Nancy C. Blaustein, Lisa M. Linn De Barona, and Yolanda A. Sullivan for organizing the logistics to collect the donations.
- ❧ Thanks to Nancy for delivering them to the YWCA.

Families fell on hard times for many reasons and children are the most affected.

Letting those families know that they are not alone is the right thing to do.

Because of your donations, a family and their children had a very special Holiday season.....

The following thank-you letter was sent to a former president of the Latino Princetonians and current member of the LP advisory group.

Dear Ms. Elizabeth Patten,

The YWCA Princeton gratefully acknowledges your in-kind contribution to our St. Nicholas Project. The St. Nicholas Project provides gifts for children and families in need of the YWCA Princeton's Young Wonders Child Development Center. Thank you for embodying the spirit of the holiday season.

Contributions to the YWCA Princeton are tax deductible to the extent provided by law. In compliance with the tax code, we confirm that no goods or services were provided in consideration of this contribution.

Because of the generosity of individuals like you, over 20 families experienced the magic of the holidays this year. We are proud to call you a supporter as we work hard to advance our mission of eliminating racism and empowering women.

With gratitude,

Judith Hutton
Chief Executive Officer

Thank You!!!
