Attending class everyday is mandatory. Every time you miss a class you will lose 0.5% out of 5% from your attendance grade. For every three times you come to class late in excess of 10 minutes (but no more than 20 min.), your late attendance is counted as one absence. If you will be late or cannot come to a class with a legitimate reason (e.g. illness, etc.), please contact your instructor by e-mail or phone before class starts.

Your classroom behavior will be evaluated by your instructor on the basis of the following criteria.

- ・ Coming to class on time
- ・ Preparation
Preparation for class (such as reading the textbook) is your responsibility.
- ・ Active participation
You are expected not only to be present, but also to actively participate in class.

8) しゅくだい

Assignments are collected **at the beginning of the first class of the due date**. Late homework will be penalized. Homework will be graded as follows.

- 15points If you turn it in on time, and if it is carefully done
- 10points If you do not turn it in on time but you turn it in before the lesson is over and if it is carefully done
- 5points If you do not turn it in on time but you turn it in before the lesson is over, but if it is not satisfactory
- 0points If you turn it in after the lesson is over.

9) 小テスト/レッスンテスト

Quizzes and tests will be given **at the beginning of the class period**.

Only when you have a legitimate reason, you will be allowed to take a quiz/test in advance to get a full credit. You may make-up a quiz/test after the class on the next day or day after. 20% will be deducted from the full score if there are no legitimate reasons.

1 0) にっちょう
日直 (朝のスピーチ)

日直 reports weather forecast, a short news of the day, and a short story at the beginning of the first class of a day. The entire report should not exceed 3minutes. As the short story, you may tell about your impression of Kanazawa, an interesting story at your host family, etc.

1 1) Language Pledge

You are required to use Japanese as your only language of communication while being in RIFARE. For each time you failure to comply with this pledge, you will lose 0.5 points from your final grade.

1 2) Japanese Language Table

Attending the Japanese Language Table is NOT a requirement for your JPN105/JPN107. The Japanese Language Table is a chance for students to use their Japanese in a more relaxed setting and to improve listening and speaking through casual conversation. You will receive extra 0.1 points each time you participate in the Japanese Language Table. The extra points will be added to your final grade; however, extra points will be a limit to 0.8 points (0.1 points x 8 times).
