

OPERATION DOVE ORNAMENT

Color and cut doves and glue backs together. Cut blank rectangular area below (see instructions).

Write or draw a message of support, peace, hope, love, etc... for the troops on the cut rectangle.

Fold accordion style. Cut a slit along line on side of glued-together bird body. Insert folded rectangle through slit. Fasten ends of wings with a paperclip. Add a ribbon so dove can be hung as an ornament. Send along with care packages filled with other holiday treats.
