

# Report of the USG Survey on Race Committee

Matt Shapiro '05 & Chris Willis '07  
Co-chairs

CPUC Meeting  
Monday, February 14, 2005

# The purpose of the survey

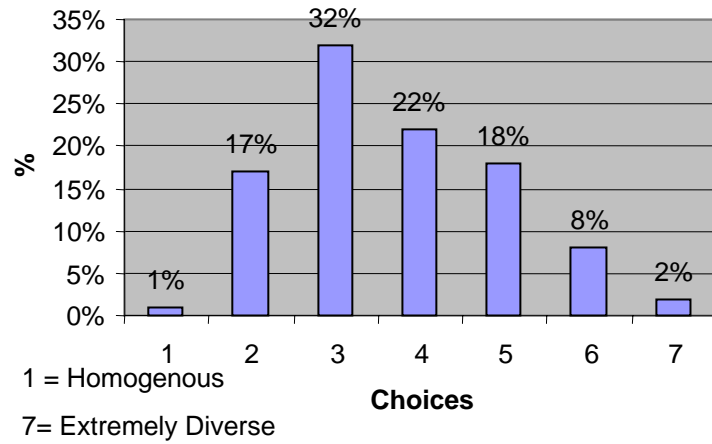

- The issue of race relations at Princeton
- Previous attempts to address this issue
- The need for a quantitative survey of the entire student body
- The development of this survey

# Who responded?

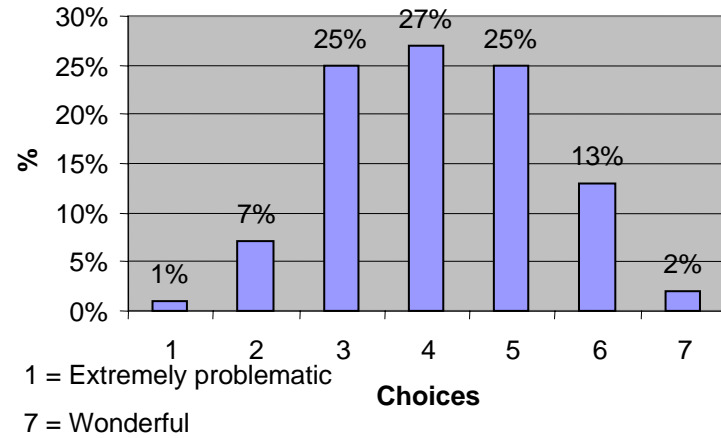

- 2,477 students responded (53% of the student body during the 2003-04 academic year)
- 47% male, 53% female
- 27% 2004, 23% 2005, 24% 2006, 26% 2007
- 15% Asian, 8% Black, 7% Hispanic, 63% White, 7% Other

# “General” Highlights - 1

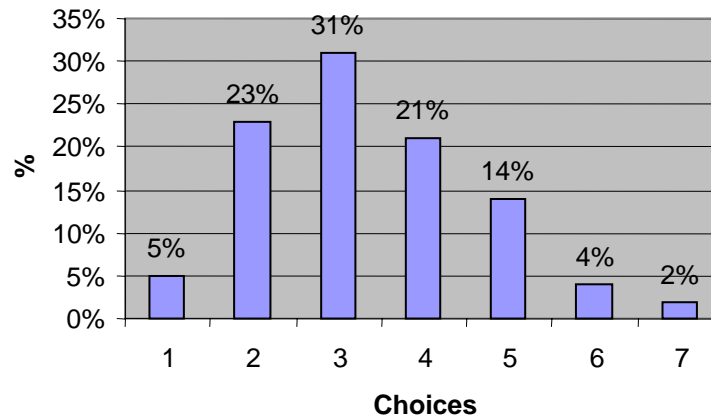

### Rate Racial Diversity

### Characterize Race Relations

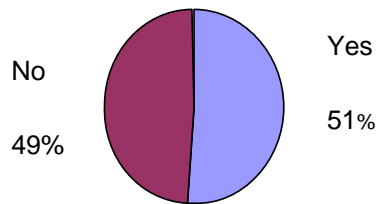

### Rate Racial Integration

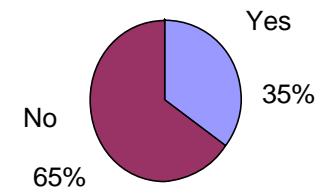

# “General” Highlights - 2

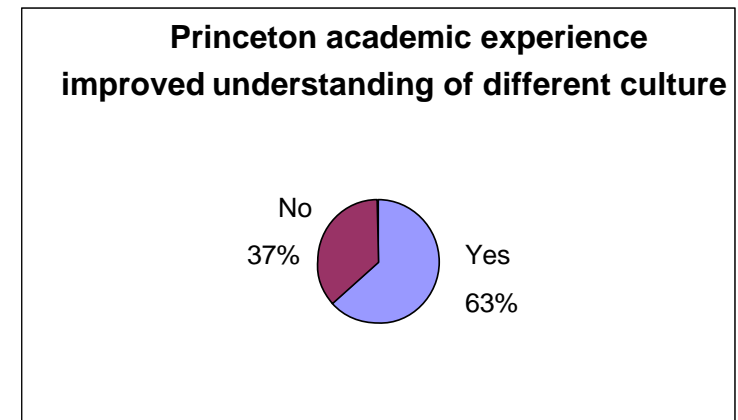

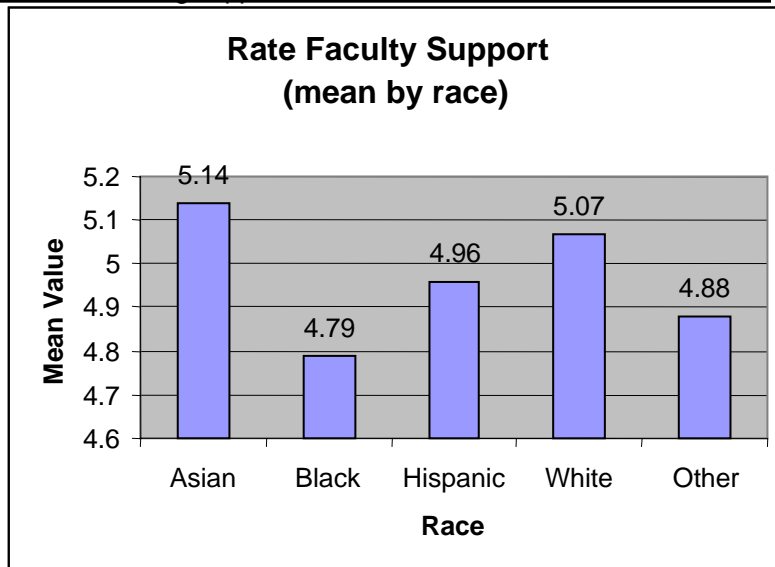

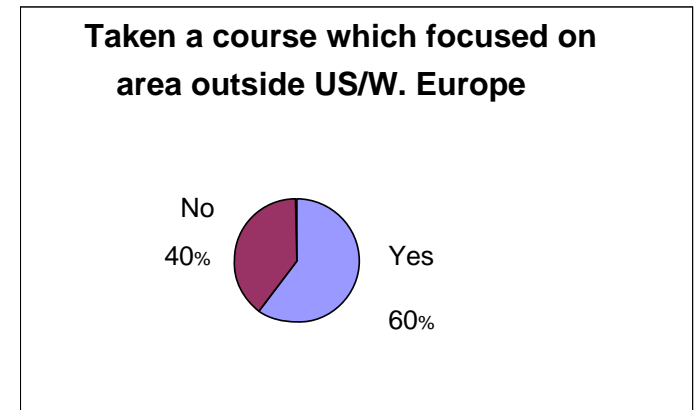

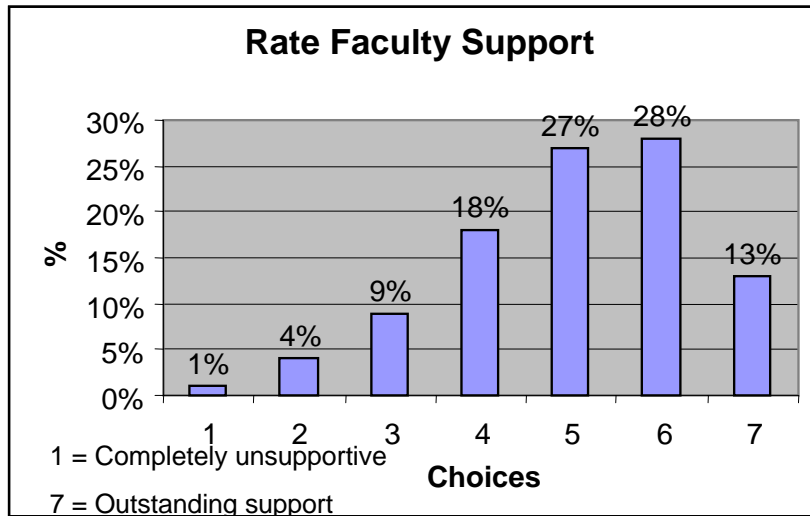

**Princeton has helped me appreciate diversity more**

**Have you observed someone else being called a racial slur?**

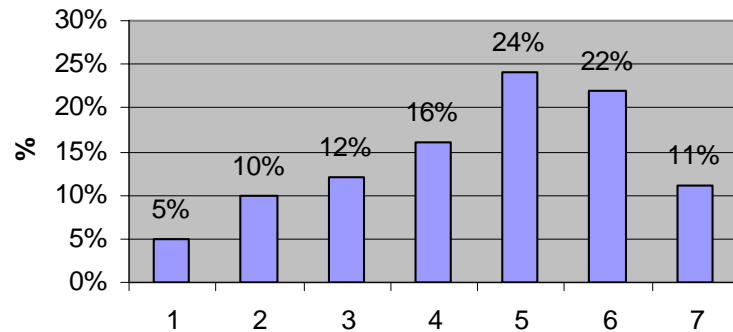

# “Academics” Highlights

# “Social Life” Highlights - 1

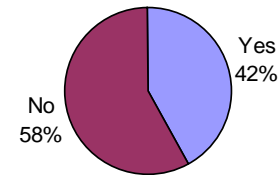

**Question 18: Rate your social life on campus**

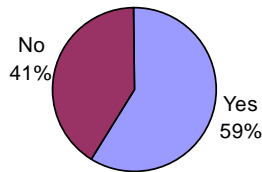

1 = Absolutely Dislike it  
7 = Absolutely Love it

**Choices**

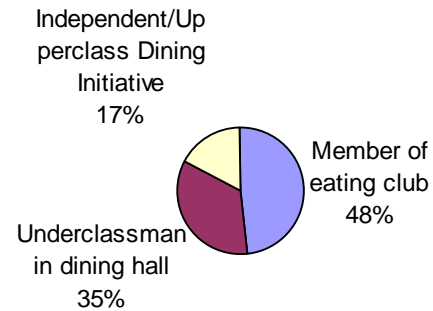

**Question 20: Been to International Center**

**Question 21: Been to the Carl A. Fields Center**

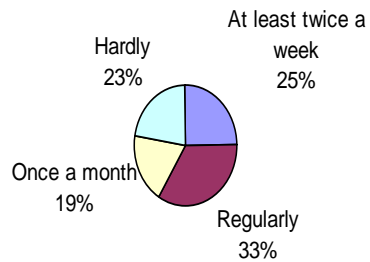

**Question 23: Which dining option applies to you**

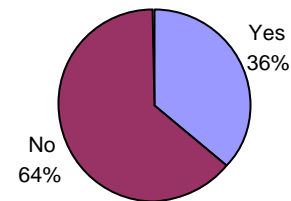

# “Social Life” Highlights - 2

Question 24: How often do you go to the Street

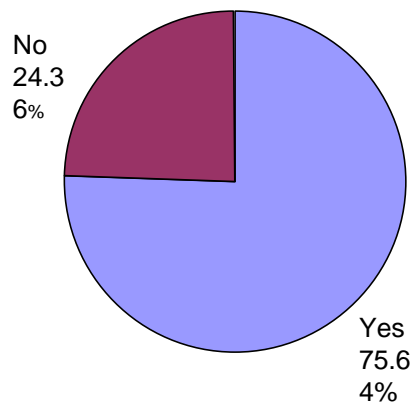

Question 25: Does Princeton have enough social alternatives to the Street?

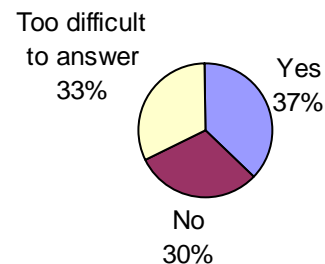

# “Self-segregation”

Question 26: Do you socialize with the same small group of students?

Question 27b: Does exclusive socializing harm the social atmosphere at the University?

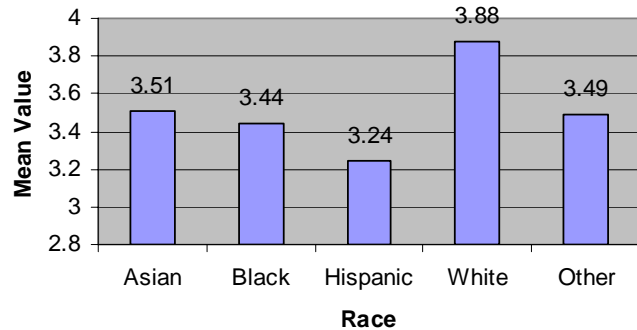

Question 27a: Do you believe exclusive socializing exists at Princeton?

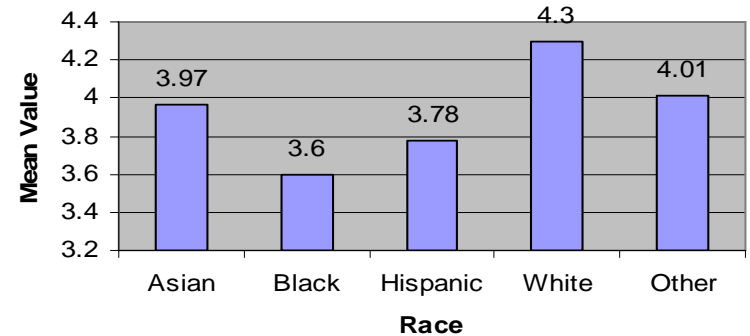

# Disturbing Disparities

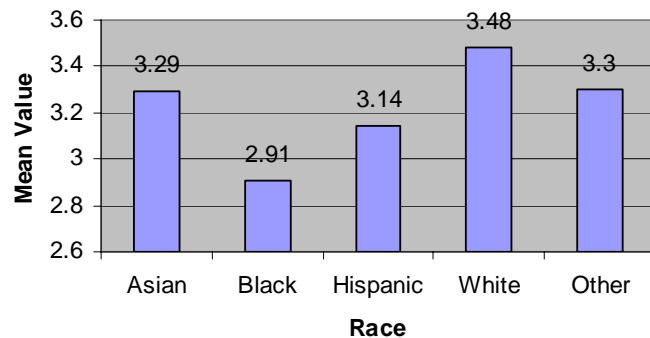

**Question 1: Rate Racial Diversity  
(mean by race)**

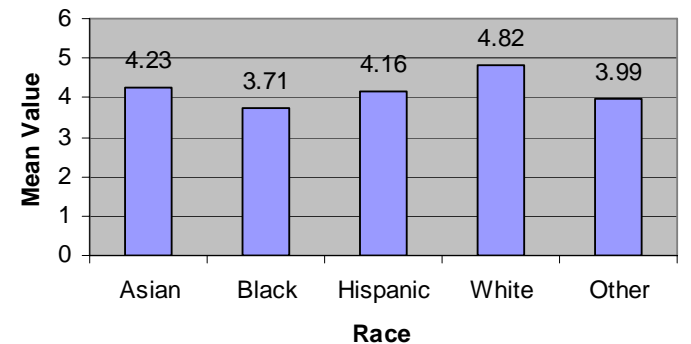

**Question 2: Characterize Relations  
(mean by race)**

**Question 3: Rate Racial Integration  
(mean by race)**

**Question 18: Rate your social life on  
campus (mean by race)**

# Where do we go from here?

- Taking the results to the appropriate student leaders on campus
- Getting students invested in statistics pertinent to them
- Publicizing the larger disparities
