2015-16 William H. Cane Scholarship

I am writing to let you know that you are eligible for the William H. Cane Scholarship, a need-based Princeton fund for students from New Jersey or who graduated from a New Jersey high school. This means that the Princeton Grant shown on your financial aid award letter will come from the Cane fund.

One of the special characteristics of the Cane Scholarship is that you are not required to have a summer or term job as part of your financial aid award. Your grant has been increased to cover the absence of these resources.

Although we do not require you to have a summer job, you may work if you wish and use the money for your educational expenses. You may also work on campus during the academic year, provided your job is not funded by the Federal Work-Study program.

You are encouraged to contact an aid counselor if you have further questions about the Cane Scholarship.

Sincerely,

Robin A. Moscato, Director
Undergraduate Financial Aid
