

Contents

<i>Chapter</i>	<i>Page</i>
I. Introduction, Findings, and Options	3
Z. Technical Summary.	21
3. Western Surface Mining and Reclamation	47
4. Western Surface Mine Regulation	89
5. Baseline and Monitoring Data	121
6. Analytical Techniques	165
7. Standards and Methods for Evaluating the Success of Reclamation	207
8. Technical Issues in Western Surface Mine Permitting and Reclamation.	231
9. Technological Innovation and Research	263
 <i>Appendix</i>	
A. Keyto Case Study Mines	285
B. Acronyms and Abbreviations	286
C, Glossary	288
Index	295
