With your Vision Preferred Provider Organization Plan, you can:

- Go to any licensed vision specialist and receive coverage. Just remember your benefit dollars go further when you stay in-network.
- Choose from a large network of ophthalmologists, optometrists and opticians, from private practices to retailers like Costco Optical, Walmart, Sam’s Club and Visionworks.

In-network benefits
There are no claims for you to file when you go to an in-network vision specialist. Simply pay your copay and, if applicable, any amount over your allowance at the time of service.

**Diabetic Eyecare Plus Program**

Provides additional coverage for members who have been diagnosed with type 1 or type 2 diabetes and have specific ophthalmological conditions. It also provides benefits for those with glaucoma and age-related macular degeneration (AMD). In addition, members who have diabetes but don't show signs of diabetic eye disease are eligible to receive preventive retinal screenings. Not available at retail chains including Costco Sam’s Club and Walmart.

- Exam: Covered in full after **$20** copay.
- Special Ophthalmological services: Covered in full.

**Second pair**

This benefit gives you additional eyewear coverage. Combined with your primary benefits, you can get:

- Two pairs of prescription eyeglasses; or
- One pair of prescription eyeglasses and an allowance toward contact lenses; or
- Double your contact lens allowance
Out-of-network reimbursement
You pay for services and then submit a claim for reimbursement. The same benefit frequencies for in-network benefits apply.
Once you enroll, visit www.metlife.com/mybenefits for detailed out-of-network benefits information.

1 All lens enhancements are available at participating private practices. Maximum copays and pricing are subject to change without notice. Please check with your provider for details and copays applicable to your lens choice. Please contact your local Costco to confirm your availability of lens enhancements and pricing prior to receiving services. Additional discounts may not be available in certain states.

2 Custom LASIK coverage only available using wavefront technology with the microkeratome surgical device. Other LASIK procedures may be performed at an additional cost to the member. Additional savings on laser vision care is only available at participating locations.

Important: If you or your family members are covered by more than one health care plan, you may not be able to collect benefits from both plans. Each plan may require you to follow its rules or use specific doctors and hospitals, and it may be impossible to comply with both plans at the same time. Before you enroll in this plan, read all of the rules very carefully and compare them with the rules of any other plan that covers you or your family.
