

Appendix B: Working Papers and Commissioned Research **B**

PROJECT WORKING PAPERS

Mark A. Boroush, “Hazard Control Responses and Economic Impacts in Selected OSHA Health and Safety Standards—Expectations vs. Outcomes,” unpublished project working paper, Office of Technology Assessment, U.S. Congress, Washington, DC, July 1995; available from the National Technical Information Service (NTIS), Springfield, VA.

David Butler, “OSHA’s Brethren—Safety and Health Decisionmaking in the U.S. and Abroad,” unpublished project working paper, Office of Technology Assessment, U.S. Congress, Washington, DC, Sept. 1995; available from the National Technical Information Service (NTIS), Springfield, VA.

CONTRACTOR REPORTS

Mark A. Boroush, Washington, DC, “OSHA’s 1984 Ethylene Oxide Standard: Retrospective Evaluation of the Rulemaking’s Feasibility/Impact Estimates,” unpublished contractor report prepared for the Office of Technology Assessment, U.S. Congress, Washington, DC, March 1994; available from the National Technical Information Service (NTIS), Springfield, VA.

Mark A. Boroush, Washington, DC, “OSHA’s 1978 Cotton Dust Standard: Retrospective Evaluation of the Rulemaking’s Feasibility/Impact Estimates,” unpublished contractor report prepared for the Office of Technology Assessment, U.S. Congress, Washington, DC, January 1994; available from the National Technical Information Service (NTIS), Springfield, VA.

Mark A. Boroush, Washington, DC, “OSHA’s 1974 Vinyl Chloride Standard: Retrospective Evaluation of the Rulemaking’s Feasibility/Impact Estimates,” unpublished contractor report prepared for the Office of Technology Assessment, U.S. Congress, Washington, DC, November 1993; available from the National Technical Information Service (NTIS), Springfield, VA.

Charles Rivers Associates, Boston, MA, “Economic Impact Analysis of OSHA’s Rulemaking Process: Lead Case Study,” unpublished contractor report prepared for the Office of Technology Assessment, U.S. Congress, Washington, DC, April 1994; available from the National Technical Information Service (NTIS), Springfield, VA.

Robert Goble and Dale Hattis, Center for Technology, Environment, and Development,

- Clark University, Worcester, MA, "When the Ceteris Aren't Paribus: Contrasts Between Prediction and Experience in the Implementation of the OSHA Lead Standard in the Secondary Smelting Industry," unpublished contractor report prepared for the Office of Technology Assessment, U.S. Congress, Washington, DC, July 1995; available from the National Technical Information Service (NTIS), Springfield, VA.
- Molly K. Macauley and Paul R. Portney, Washington, DC, "Comparing Expected and Actual Economic Impacts of OSHA Safety Regulation: A Case Study of the Use of Alternative Stabilization Systems for Powered Platforms," unpublished contractor report prepared for the Office of Technology Assessment, U.S. Congress, Washington, DC, February 1994; available from the National Technical Information Service (NTIS), Springfield, VA.
- Molly K. Macauley and Paul R. Portney, Washington, DC, "Comparing Expected and Actual Economic Impacts of OSHA Safety Regulation: A Case Study of Presence Sensing Device Initiation for Mechanical Power Presses," unpublished contractor report prepared for the Office of Technology Assessment, U.S. Congress, Washington, DC, January 1994; available from the National Technical Information Service (NTIS), Springfield, VA.
- James C. Robinson, School of Public Health, University of California, Berkeley, CA, "The Impact of Environmental and Occupational Health Regulation on Productivity Growth in U.S. Manufacturing," unpublished contractor report prepared for the Office of Technology Assessment, U.S. Congress, Washington, DC, July 1994; available from the National Technical Information Service (NTIS), Springfield, VA.
- Ruth Ruttenberg, Ruth Ruttenberg and Associates, Bethesda, MD, "Compliance With the OSHA Grain Handling Rule: Safety Measures Save Lives and Dollars," unpublished contractor report prepared for the Office of Technology Assessment, U.S. Congress, Washington, DC, June 1994; available from the National Technical Information Service (NTIS), Springfield, VA.
- Robert F. Stone, Econotron, Inc., "An Evaluation of OSHA's Resources for Regulatory Analysis," unpublished contractor report prepared for the Office of Technology Assessment, U.S. Congress, Washington, DC, March 1995; available from the National Technical Information Service (NTIS), Springfield, VA.
- Robert F. Stone, Econotron, Inc., Framingham, MA, "A Retrospective Analysis of the Economic Impact on Foundries of OSHA's 1987 Formaldehyde Standard," unpublished contractor report prepared for the Office of Technology Assessment, U.S. Congress, Washington, DC, August 1994; available from the National Technical Information Service (NTIS), Springfield, VA.
- Robert F. Stone, Econotron, Inc., Framingham, MA, "A Preliminary Examination of OSHA's Analytic Approaches for Estimating the Compliance Costs and Other Economic Impacts of Regulation," unpublished contractor report prepared for the Office of Technology Assessment, U.S. Congress, Washington, DC, March 1994; available from the National Technical Information Service (NTIS), Springfield, VA.
- Robert F. Stone, Econotron, Inc., Framingham, MA, "Three Case Studies of OSHA's Regulatory Impact Analysis in Support of Recent Rulemaking," unpublished contractor report prepared for the Office of Technology Assessment, U.S. Congress, Washington, DC, February 1994; available from the National Technical Information Service (NTIS), Springfield, VA.
