CHAPTER 1: EXECUTIVE SUMMARY AND POLICY OPTIONS	1
Findings	1
Guiding Principles and Options for a Community-based, Comprehensive, Mental Health Services System for Indian Adolescents	4
Guiding Principles	4
Obstacles to Implementing Guiding Principles,	4
Congressional Options	6
Organization of the Special Report.	10
CHAPTER 2: MENTAL HEALTH PROBLEMS OF AMERICAN INDIAN AND ALASKA NATIVE ADOLESCENTS	13
Diagnosable Mental Disorders	13
Developmental Disorders	13
Depression	14
Suicide	16
Anxiety	20
Substance Abuse and Dependence	21
Identity Disorder, Alienation, and Self-Esteem.	22
Conduct Disorder, School Dropout, Delinquency, and Running Away	23
Environmental Risk Factors for Mental Health Problems.	26
Physical Disorders	26
Child and Adolescent Abuse and Neglect	27
Parental Alcoholism	30
Family Disruption	30
School Environment	31
Other Life Stressors	31
Conclusions and Policy Implications	31
Patient-Centered Data Systems	33
Surveillance Units	34
Epidemiologic Data	34
CHAPTER 3: DELIVERY OF MENTAL HEALTH SERVICES TO AMERICAN INDIAN AND ALASKA NATIVE ADOLESCENTS	35
Agencies Involved in the Delivery of Mental Health and Related Services to Indian Adolescents	35
Indian Health Service	43
Bureau of Indian Affairs	39
Tribal Health Programs	40
Urban Indian Health Programs	42
State and Local Service Agencies.	43
Mental Health Treatment Settings and Services as Adapted To and By American Indians.	44
Treatment Settings	44
Therapeutic Interventions	45
Preventive and Promotive Interventions	52
Overview	52
Preventive and Promotive Efforts Specific to Indian Adolescents	53
Cultural Sensitivity in Indian Mental Health Programs	53
Community Involvement	54
Holding the System Together	55
Overview	55
Coordination Efforts Among Indian-Serving Agencies	55
Conclusions and Policy Implications	56
APPENDIX A: EARLIER EVALUATIONS OF AMERICAN INDIAN AND ALASKA NATIVE ADOLESCENTS' MENTAL HEALTH NEEDS AND SERVICES,	57
APPENDIX B: POPULATION ESTIMATES FOR ESTIMATING SUICIDE DEATH RATES	59
APPENDIX C: OVERVIEW OF INDIAN HEALTH SERVICE	60
APPENDIX D: ACKNOWLEDGMENTS	64
