1. INTRODUCTION . . . . .	3	The Use of RCTs in Policy Decisions ....., 87
Background . . . . .	5	Improved Use of RCTs in Specific Fields... 88
A Brief History of the RCT in Medicine . . . . .	5	Conclusion . . . . . 90
A Description of the Method . . . . .	7	Appendix A. Acronyms and Glossary. . . . . 93
The Uses of Rats . . . . .	9	Appendix B. Acknowledgments . . . . . 96
The Role of the Physician in RCTs . . . . .	11	References . . . . . 101
The Diffusion of Medical Technology . . . . .	12	
2. FUNDING FOR CLINICAL TRIALS . . . . .	19	<b>Tables</b>
Trends in Funding Clinical Trials . . . . .	20	<i>Table No.</i> . . . . . <i>Page</i>
The National Institutes of Health . . . . .	21	1. Number and Amount of Support for NIH Supported Clinical Trials Active in Fiscal Year 1979, by Institute for Type of Intervention . . . . . 19
The Alcohol, Drug Abuse, and Mental Health Administration. . . . .	24	2. NIH Support for Clinical Trials, Fiscal Year 1979. . . . . 22
The Veterans Administration . . . . .	25	3. Studies Required in FDA's Premarketing Drug Approval Process . . . . . 23
The Department of Defense . . . . .	25	4. ADAMHA Treatment Assessment Research Fiscal Year 1982 Expenditures . . . . . 24
Health Insurers and Support RCTs . . . . .	26	5. Office of Health Technology Assessment Report Series 1982 . . . . . 36
3. RCTs AND HEALTH POLICY . . . . .	31	6. Distribution by Sites of the 945 Trials Registered at the International Union Against Cancer Information Office, and Related Incidence Rates . . . . . 67
Drug Regulation . . . . .	34	<b>Figures</b>
Regulation of Medical Devices . . . . .	34	<i>Figure No.</i> . . . . . <i>Page</i>
RCTs and Cost-Effectiveness Analysis . . . . .	34	1. The National Heart, Lung, and Blood Institutes Clinical Trial Decision Process . . . . . 70
RCTs and Medicare Coverage . . . . .	35	
The Potential Impact of RCTs on Third-Party Payers . . . . .	37	<b>Boxes</b>
4. FACTORS AFFECTING THE IMPACT OF RCTs ON MEDICAL PRACTICE . . . . .	41	<i>Page</i>
Objections to RCTs . . . . .	41	A. The Society for Clinical Trials . . . . . 7
Alternatives to RCTs . . . . .	44	B. The National Eye Institute . . . . . 23
Characteristics of RCTs That Affect Their Impact. . . . .	46	C. Institute for Health Care Evaluation . . . . . 38
5. THE IMPACTS OF CLINICAL TRIALS ON MEDICAL PRACTICE. . . . .	61	D. Gastric Freezing . . . . . 47
RCTs and Concordance With Medical Practice . . . . .	62	E. The University Group Diabetes Program . . . . . 49
RCTs in Cancer Research . . . . .	63	F. Hyperbaric Oxygen Treatment for Cognitive Deficits in the Elderly.. . . . 64
Cardiovascular Disease . . . . .	69	G. The Hypertension Detection and Followup Program . . . . . 73
Surgery . . . . .	78	
RCTs in Other Fields . . . . .	80	
6. IMPROVING THE IMPACT OF RANDOMIZED CLINICAL TRIALS . . . . .	83	
Improving the Quality of RCTs . . . . .	83	
Improving the Dissemination and Use of RCT Results. . . . .	85	
Improving the Assessment of Medical Technologies . . . . .	87
