

Appendix E.—Acknowledgments and Health Program Advisory Committee

The authors are grateful to Mark Farfel at the Johns Hopkins School of Hygiene and Public Health for his contributions as a research assistant and are indebted to Charlotte Chalmers, Connie Pollack, and Amy Bohn for their expert assistance in manuscript preparation.

In addition, we wish to thank the many physician experts, scientists, hospital administrators, government officials, health planners, industry trade association officials and company representatives for the help and information they provided to us.

The following people, in addition to the advisory panel, provided valuable guidance.
