FEBRUARY 20, 2009

Take advantage of Wilson's great spaces

You've all heard of these places (we hope), but have you actually taken advantage of the opportunities they present? Below is a somewhat comprehensive listing of the facilities open for use by Wilson students.

Art Room* - 301 Wilcox Hall - The Wilson College Art Room is located on the third floor of Wilcox Hall. Class times can be found here: <http://www.princeton.edu/~wilsonco/ClassesDrawingPainting.html>.

Contact Adjani Peralta (aperalta@princeton.edu) for more information.

Ceramics Studio - The Wilson Ceramics studio is located in the basement of 1938 Hall, on the right at the bottom of the first entryway stairs. The studio is open to members of the university community. Hours can be found here: <http://www.princeton.edu/~wilsonco/ClassesCeramics.html>

The Ceramic studio team consists of two student managers: Andrew Sue-Ako and Heather Landry. Professor Stuart Altmann is an adviser and teacher studio. We are happy to announce the addition of another ceramics teacher, Debbie Reichard, who holds an MFA in Ceramics from the University of Seattle and who will be teaching twice a month on Sundays. If you are interested in partici-

A Tip from Greening Princeton

Replace an incandescent light bulb with a compact fluorescent light bulb. CFLs use 60% less energy than regular bulbs. This simple switch can save 300 lbs of CO₂ a year.

Photo of the Week: Meeting a (Toy) Dinosaur

Wilson College sponsored a trip to see the *Phantom of the Opera* at the Majestic Theatre in New York on Wednesday, February 18th.

Several students on the trip took a detour to visit Toys R Us on Times Square, primarily to see the giant Ferris wheel, but they also visited the dinosaur: at left are Ariel Sorensen, Crystal Styron, and Daniel Dix. If you would like to propose a trip for next semester, contact Trips Chairs Daniel Dix (ddiz@princeton.edu) or Renee Hyde (ahyde@princeton.edu).
